

P02 SKAPE Behaviour Policy

Introduction

This behaviour policy promotes a positive approach with emphasis on praise, reward and encouragement, which will foster a secure, enjoyable and nurturing learning environment. We aim for the highest standards in all aspects of SKAPE life, where each individual is intrinsically valued.

Aims

To create a purposeful and happy atmosphere which will enable visitors to feel secure to develop as individuals we need:

- To acknowledge and value achievements at all levels
- To encourage increasing independence and a sense of personal responsibility
- To consistently reinforce appropriate behaviour thus encouraging positive attitudes in visitors
- To take every opportunity to enhance self esteem
- To encourage tolerance, kindness and respect for others as well as self-respect
- To work in partnership with visitors, parents, school staff and external professionals
- To consistently apply the behaviour policy throughout the SKAPE Centre

Expectations

The way we behave influences everything we do.

- Liaise with parents/school about behaviour
- Keep records of behaviour issues
- When appropriate, write a Behaviour Support Plan for individual pupils which are understood by staff, regularly monitored and evaluated

Pupils are expected to:

- Be kind and caring towards one another
- Value diversity in all people, including with regards to sexual orientation, gender preferences and identities, expressed or inferred

- Be supportive of a Behaviour Support Plan which has been developed to support their child's behaviour at the SKAPE Centre

Strategies to encourage positive behaviour

Behaviour management strategies used at the SKAPE Centre will be necessarily diverse to meet the wide age range, cognitive abilities and specific needs of the pupils, but the underlying principles will be the same.

Staff will differentiate between pupils, using strategies appropriate to the individual. Some pupils, whose behavioural needs are greater than others, will have individual Behaviour Support Plans in place, which should be adhered to by all staff who come into contact with those pupils.

It is far better to prevent inappropriate behaviour occurring than to deal with it afterwards. Praise rather than negative feedback is encouraged.

The SKAPE staff have devised and agreed the following Behaviour Support Strategies:

- Be positive and enthusiastic
- Have high expectations of the pupils and expect them to be good
- Be consistent
- Praise the good; 'catch them being good'
- Plan when to give attention and when to ignore
- Stay calm; do not shout
- Never talk about a pupil's behaviour in front of them
- Sanctions must be short, clear and immediate
- Set clear boundaries and establish routines
- Use clear simple language supported by signing and symbols
- Consistently use and evaluate Behaviour Support Plans
- Be selective when choosing which behaviour to work on
- Know that it takes time to change behaviour
- Work as a team - use individual strengths and rotate staff when appropriate
- Do not take things personally
- Take into account each pupil's level of learning as many pupils may be working at the early stages of development.

In addition, a Behaviour Support Plan may be drawn up to try to avoid the outcome of a failed placement at SKAPE in the event of unacceptable conduct. Examples of unacceptable conduct may include the following and could result in a breakdown and/or ultimate failure of the placement:

- Verbal abuse to staff and others
- Verbal abuse to pupils
- Physical abuse to/attack on staff
- Physical abuse to/attack on pupils
- Indecent behaviour
- Damage to property
- Misuse of illegal drugs
- Misuse of other substances
- Theft

P02 SKAPE Behaviour Policy

- Sexual abuse or assault
- Supplying an illegal drug
- Carrying an offensive weapon
- Arson
- Unacceptable behaviour which has previously been reported and for which SKAPE Centre's sanctions and other interventions have not been successful in modifying the pupil's behaviour.

Recording Incidents

- on an 'Incident Report form'
- in the 'Record of Incidents involving the Use of reasonable Force or Injury to pupils or staff'

All pupil injuries MUST also be recorded on a Pupil Accident Form
