# Canada Day 2020

## Neighbourhood Procession

Dear Friends and Neighbours,

As we all adjust to the Covid-19 Pandemic reality of social distancing etc. the Mt Lehman Community Association is hoping to keep the spirit of our annual Canada Day parade alive. We invite you to participate in a neighbourhood driving procession through our beautiful community on Canada Day. Or, if you prefer, watch, cheer and wave at your friends and neighbours in the procession and enjoy the decorated vehicles from your home.

Mt Lehman is proud to be part of Abbotsford in the beautiful province of British Columbia in the best country in the world, Canada. Please join us in celebrating Canada Day 2020.

Best wishes and stay well,  
Candie Thorne  
President, Mt Lehman Community Association
