NOTES:

This setting block is a fun variant on the Courthouse Steps Block, with cornerstones added. Once assembled into the quilt, it forms a great chain that binds all your blocks together!

The fabric is sized to create 8 identical blocks, for the complementary quilt setting. We use the strip method for straighter seams & less waste. Each Block will be 10-1/2"

Designed for a 1/4" Seam Allowance (Tip: Use a Seam Guide)

Ironing: Iron seams away from center

We recommend:
