

2022-2023 North Carolina USBC – Pepsi SECTIONAL Rules

1. This tournament is certified by the United States Bowling Congress and shall be governed by USBC rules.
2. This competition is open to all 2022-2023 USBC youth members. A bowler must be a regular member of a certified USBC youth league and not under suspension at the time of qualifying. League substitutes are allowed to participate if it is their only USBC Youth league. USBC Collegiate members are eligible if they are 2021-2022 USBC Youth members, bowl in a USBC youth league and have not violated USBC Rule 400. Wheelchair and other physically challenged USBC youth members are also allowed to enter and bowl.
3. One time entry. If an individual who qualified cannot participate in this competition, a replacement will be eligible based on the order of finish in the previous competition (same league, same window and same center as the “no show” bowler). They must follow the order of advancement within that league/window.
4. Advancement ratio from the league competition to the sectional competition is one (1) for every (4) entries, per certified league, including last place ties. The base number for each division is based on the number of league members that were present at least one week to participate. Qualifying scores must be bowled during regularly scheduled league play. Pre-bowl and post-bowl scores cannot be used for advancement purposes. If a bowler qualifies in more than one league in the same division, the bowler must advance through the league in which the highest score was bowled. In all cases, at least one person per division shall advance. The advancement ratio shall be applied uniformly to all divisions.
5. Advancers out of the league level must remain in the division they qualified in during all subsequent levels. If a bowler advances out of the league level in more than one state/zone, the bowler must declare one state/zone to continue competing before the next competition level. Participation in any level of competition past the league level in more than one state/zone will result in automatic disqualification.
6. LEAGUE LEVEL QUALIFYING WINDOWS SHALL BE OCTOBER 8 – OCTOBER 22 AND JANUARY 7 - JANUARY 20. In the event of health related or weather scheduling complications, league directors and coaches may declare any two weeks prior to a deadline date as the qualifying window for that league. Please advise when mailing or entering information of a change. In these cases of inclement weather or extenuating circumstances such as league cancellation, please use the next available week.
 - a. Mailing Deadline: January 1, 2022 for Fall Qualifying and February 14, 2022 for Winter Qualifying
7. Divisions are based on the participant’s date of birth as listed below. Participation in the wrong age division will lead to automatic disqualification. Bowlers must stay in the given division in that particular league throughout the entire window.
 - i. U8 Boys/Girls Bowlers whose birthdate is 8/1/2014 or later
 - ii. U10 Boys/Girls Bowlers whose birthdate is 8/1/2012 thru 7/31/2014
 - iii. U12 Boys/Girls Bowlers whose birthdate is 8/1/2010 thru 7/31/2012

 - v. U18 Boys/Girls Bowlers whose birthdate is 8/1/2004 thru 7/31/2007

Bowlers in the U8 and U10 divisions will not advance to the state level, but will receive scholarships and awards after results from the sectionals have been verified. Plaques will be awarded to the first place winner in the Boys' and Girls' U8 and U10 divisions. Scholarships will be based on the number of entries in the U8 and U10 Boys and Girls division on a 1 in 10 ratio. Official results of the sectional competition will be e-mailed to the coach, league secretary, after certifications, and scores have been verified by the Tournament Director.
