44	VI.	ACTION ITEMS (none)	
45	VII.	DISCUSSION:	
46		a. Funding from tax funds collected: Sara confirms that the tax fund	l (project 2717)
47		has not been provided to The Alliance. Cassandra confirms that a	request has to
48		be made in order to transfer funds. Sara is to draft memo regard	ing the funding,
49		provide backup documentation, and bring back to the board fror	n approval at
50		the July Board meeting. Board will determine if transfer of funds	should be on a
51		monthly, quarterly, or annual basis.	
52		<b>b.</b> Old Business: Board member Provolt asks about an update on DI	) job description
53		for YEDC. Sara informs the board that there is no update to provi	de, and for the
54		time being, it does not look like there will be any changes. YEDC	is super
55		understaffed and employees are taking on additional tasks since	this is the
56		busiest time of the year. Suggestions for transportation or gas in	centives to get
57		candidates from Crescent City, reaching out to other hiring agen	cies, or social
58		service programs to reach people seeking employment.	
59		i. Update on Commercial Lending program development: Sa	ara has been
60		working on the lending templates and draft policies for a	commercial
61		lending program. That work has been paused, as duties a	t YEDC have
62		increased. The commercial lending program goes hand in	hand with
63		SSBCI funding, so it will be a priority in the next coming w	eeks. Goal is to
64		have the SSBCI application submitted by the end of June.
