

Capability Statement

Professional Security Patrol Services LLC

Introduction: Expert Security Professionals has been providing comprehensive security services in New Orleans, Baton Rouge, and across Louisiana for over a decade. Our highly trained security personnel are committed to creating safe environments for private citizens, businesses, and government agencies. We deliver superior, 24/7 security services with integrity and professionalism, ensuring our clients feel secure and protected. Our services go beyond crime prevention to foster peace of mind and a safer community atmosphere.

Core Competencies

- **Armed & Unarmed Security Guards:** Experienced security officers trained to de-escalate situations and protect property and individuals from threats.
- **Vehicle Patrol Services:** Routine and on-demand vehicle patrols to cover large areas efficiently, deter criminal activity, and ensure immediate response capabilities.
- **Video Monitoring:** Advanced surveillance technology to monitor premises continuously, providing real-time security insights and incident response.
- **Event Security:** Comprehensive security planning and personnel for large gatherings, ensuring safety and crowd control.
- **Construction Site Security:** Guard services for asset protection, controlling site access, and preventing theft or vandalism.
- **Customized Security Plans:** Tailored strategies to meet each client's specific security requirements while remaining cost-effective.

Differentiators

- **Local Expertise:** Deep understanding of the unique security challenges faced in Louisiana communities, informed by 15 years of experience and knowledge of local environments.
- **Well-Trained Personnel:** Security officers trained in criminology, situational awareness, and emergency response to ensure top-tier protection.
- **Proactive Crime Prevention:** Emphasis on crime deterrence through visible patrols, quick incident response, and active monitoring.
- **Community Commitment:** Dedicated to serving and improving local communities by providing high-quality, reliable security services.

NAICS Codes

- **561612** – Security Guards and Patrol Services
- **561621** – Security Systems Services (except Locksmiths)
- **922120** – Police Protection

Past Performance

- **Skanska & MAPP Construction:** Provided comprehensive security services for the University Medical Center construction project in New Orleans, safeguarding critical infrastructure and personnel.
- **Union Passenger Terminal:** Security services for Amtrak, Greyhound, and Megabus, ensuring the safety of passengers and staff at this major transportation hub.
- **Celtic Movie Studios:** Managed security for high-profile film productions, protecting equipment and personnel from potential security breaches.
- **Fountainbleau Storage & Music Studios:** Implemented custom security solutions for property protection and theft prevention.
