

Your Prescription for Beautiful, Even Skin

“I have seen  
a more even-toned,  
brighter, firmer  
[looking] complexion.”

- Logan M. | Age 42

## Unlock the Natural Beauty of Brown Skin

Finally, women of color have a skincare line created specifically for the unique concerns of brown skin. Formulated by Harvard-trained dermatologist Dr. Susan Taylor and based on more than 20 years of research, Rx for Brown Skin is a first-of-its-kind collection that addresses discoloration, uneven skin tone and loss of radiance to offer women of color the promise of clear, smooth, glowing skin.

## Real Women See Radiantly Flawless Skin

## Now It's Your Turn!

See the dramatic results for yourself and face the world  
with confidence knowing your skin looks beautiful!

## The Rx for Brown Skin Collection

These Rx for Brown Skin essentials help reduce the appearance of dark marks and discoloration, even out and brighten skin tone and deeply hydrate for softer skin texture – all without harsh chemicals or bleaching agents.

### Absolute Radiance *Intensive Exfoliating Serum*

Gently exfoliates to renew skin for softer, smoother texture and a brighter, more luminous complexion.

“ I was skeptical at first, but you have to try it and see the results you'll get. ”

- **Shalese M.**

“ I have seen a more even toned, brighter, firmer [looking] complexion. It looks better than it has in a long time; better than I thought it could even look - without any redness or irritation. ”

- **Logan M.**

Real photos of real Rx for Brown Skin users. Every individual's skin is different and results will vary. These results are not typical but can be achievable with consistent use.

# Beauty Editors love Rx for Brown Skin

“Dr. Susan Taylor has customized a solution for women of color who wish to flaunt the face of confidence.”

- *RollingOut.com*

“Rx for Brown Skin has the goodies that ethnic skin needs to keep looking its best.”

- *Sheen Magazine*

“... a comprehensive collection of skincare solutions expertly formulated to prevent and treat hyperpigmentation unique to darker skin ...”

- *Style & Beauty Doctor*

“Rx for Brown Skin ... features products free of ingredients potentially harmful to brown complexions, such as fragrance, propylene-glycol, lanolin and alcohol, and is made with a blend of hyaluronic acid, fresh soy and pomegranate. Its main purpose: to help ethnic skin look as beautiful as possible.”

- *Uptown Magazine*
