

Assignment #1: Hall Of Fame Page

In a creative manner and using Word or some other publishing software, develop a computer-generated page illustrating the fame of your assigned figure by depicting at least 15 facts, accomplishments or any other pertinent but non-personal items. As part of these facts, required are:

- Name of the person
- A picture of the person
- Two graphics representing the “accomplishments of the person”
- Date and place of birth and death
- Develop a quote of what you think the person would say that illustrates his life and/or accomplishments (this is not something he actually said but something you think he would say)

Additional Requirements:

- On a separate sheet of paper provide an explanation of why you developed the quote you did as it relates to your person (minimum 15 sentences)
- Properly formatted bibliography of sources used
