

NAME: _____

PROPOSITION:

The song “You Don’t Always Get What You Want” by the Rolling Stones could be interpreted “economically” when you apply the lyrics to the definition of economics and the basic economic problem.

ASSIGNMENT:

Making use of economic concepts, do you agree or disagree with this proposition. Make sure you specifically explain why and the reasoning of your position.

REQUIREMENTS:

- Typed
- Length of at least 30 lines
- At least (could be more) three paragraphs of at least 5 sentences
 - Paragraph #1 Introduction with “thesis statement” of your position on the proposition
 - Paragraph #2 Discussion of questions proving your position
 - Effective linkage between song lyrics and position of proposition making use of economic concepts
 - Paragraph #3 Summary and Conclusion
- 1” Margins; 12 font
- Due Date: Friday, 9-18-20
- Point Value: 50 Points

25-29 Lines = 30% Deduction

20-24 Lines = 50% Deduction

No Assignment Less Than 20 Lines Will Be Accepted
