## FREE KINDERGARTEN

QUALITY AREA 6 | ELAA VERSION 1.5

### PURPOSE

In this policy document, Creative Minds Early Years Pty Ltd is referred to as Creative Minds Early Years.

This policy provides a clear set of guidelines and procedures for:

- enrolling a child at Creative Minds Early Years
- the orientation of new families and children into Creative Minds Early Years
- ensuring compliance with Victorian and national legislation, including disability discrimination, anti-discrimination, human rights laws, No Jab No Play and Department of Education [DE] Kindergarten Funding Guide.
- ensuring access to participation, especially for vulnerable and disadvantaged children
- adhering to DE's priority of access requirements for both three and four-year-old children

### POLICY STATEMENT

The safety, health, wellbeing, rights and best interests of every child are the paramount consideration and must guide all decisions, actions and practices of educators within the education and care service.

From 2027, where demand for funded kindergarten places exceeds availability, the service will apply a two-tier Priority of Access framework, ensuring children who will benefit most from early access and participation are prioritised first (Tier 1), followed by eligible continuity placements (Tier 2), in line with Department of Education requirements.

### VALUES

Creative Minds Early Years is committed to:

- families feeling respected, safe and supported during the enrolment process
- ensuring families who may experience barriers to accessing kindergarten are proactively engaged
- being flexible and catering for unique family circumstances and needs
- being transparent in the process and allocation of places through consistent communication and information sharing
- ensuring the registration, allocation and enrolment process is simple to understand, follow and implement
- maintaining confidentiality in relation to all information provided for enrolment
- promoting fair and equitable access to kindergarten programs, including those who face barriers to participation
- enrolling Early Start Kindergarten (*refer to Definitions*) eligible children into full 15 hours of kindergarten program

## PROCEDURES

The information contained within the procedure is to be used as a guide and modified according to the services context.

### GENERAL ORIENTATION PROCEDURES

The time required for orientation and settling in will vary for each child and their family, therefore it is important to be flexible and individualise orientation for each family.

- Offer families the opportunity to visit the service at different times during the day/session, this allows the child and their family to become familiar with the various routines of the service
- Provide reassurance to the family that they may stay with their child for as long as they choose during orientation period
- Provide the family with suggestions for developing and maintaining a routine for saying goodbye to their child
- Reassure the family:
  - they can leave their child initially for a shorter day, gradually increasing the length of time
  - they may call and speak to their child's early childhood teacher or educator(s) at an agreed time
  - the early childhood teacher/educators will keep them informed on how their child is settling in
  - they will be informed about any changes or circumstances which may affect them or their child.
- Further considerations may include but are not limited to:
  - send an email during the day to update the family on their child including a photo of the child (if the child has settled in) (refer to the information and Communication Technology Policy). Note: For children in out-of-home care, the educator may need to seek permission from Child Protection before taking and distributing photos of the child
  - asking the family how they have settled in and if they have any questions or concerns.
  - [As required] Arrange telephone, on-site or video interpreters to assist with orientation conversations with parents/carers who speak a language other than English or use Auslan. See [Early Childhood Language Services](#) for more information.
- Refer to **Attachment 2** for the general kindergarten registration and enrolment procedures
- Refer to **Attachment 5** for cancellation of enrolment and non-attendance procedures.

### BACKGROUND AND LEGISLATION

#### BACKGROUND

The *Education and Care Services National Regulations 2011* require approved services to have a policy and procedures in place in relation to enrolment and orientation (*Regulation 168(2) (k)*).

All eligible Victorian children can access two years of funded kindergarten before starting school. The Victorian Government's Best Start, Best Life reforms expand access to early childhood education, including the introduction of Free Kindergarten and the staged rollout of more hours of 4 year old kindergarten.

From 2026, children from priority cohorts, including Aboriginal and Torres Strait Islander children, children from a refugee or asylum seeker background, and children who have had contact with Child Protection, can access up to 25 hours of kindergarten per week. This will increase to up to 30 hours per week from 2028.

Where demand exceeds available places, services must allocate places in accordance with the Victorian Department of Education Priority of Access criteria. Priority of Access must be applied before any local enrolment criteria, and high priority children must be allocated places regardless of registration date. Local criteria may only be applied after all high priority children have been placed.

Enrolment and allocation processes must support equitable access, particularly for children experiencing vulnerability and disadvantage. Services are expected to actively engage and support these families to access kindergarten programs.

The Kindergarten Funding Guide sets out requirements for eligibility, enrolment, attendance and funding. Services must ensure enrolment practices comply with these requirements, including confirming that each child is accessing only one funded kindergarten program per year.

Accurate and timely data collection is required to support funding, planning and compliance. Services must ensure enrolment and attendance data is recorded in Department systems, including Arrival.

Immunisations are an effective means of reducing the risk of vaccine preventable diseases. Early childhood education and care services which are regulated under the *Education and Care Services National Law Act 2010 and Education and Care Services National Regulations 2011* have legislative responsibilities under the *Public Health and Wellbeing Act 2008* to only offer a confirmed place in their programs to children with an Australian Immunisation Register (AIR) Immunisation History Statement (*refer to Definitions*).

## DEFINITIONS

**Access to Early Learning (AEL):** is an early intervention program for a child who is at least three years old on April 30th in the year of enrolment. It aims to provide intensive support to eligible families with multiple and complex needs, assisting them to access universal kindergarten programs.

**Additional year of funded kindergarten:** Eligibility for a second year of Four-Year-Old Kindergarten is determined by the child's early childhood teacher, if the child is observed as having developmental delays in at least 2 VEYLDF Learning and Development Outcomes and there is evidence to suggest the child will achieve better outcomes at kindergarten than if they go to school. From 2026, across Victoria, children who meet the eligibility requirements due to their learning or developmental needs can access an additional year of either, three-year-Old Kindergarten; or Four-Year-Old, but not both.

**Australian Immunisation Register (AIR) Immunisation History Statement:** The AIR is a national register administered by Medicare that records all vaccinations given in Australia, including to children. In the case of medical contraindication, an authorised medical practitioner completes and signs a Medical Exemption Form and supplies it to the AIR (previous forms of documentation, for example a letter from a GP or local council, are no longer acceptable).

**Authorised nominee:** (In relation to this policy) is a person who has been given written authority by the parents/guardians of a child to collect that child from the education and care service. These details will be on the child's enrolment form.

**Children/families experiencing vulnerability and/or disadvantage** (in relation to this policy): children are vulnerable if the capacity of parents and family to effectively care, protect and provide for their long-term development and wellbeing is limited. Some factors which may contribute to a child experiencing vulnerability include: a child with a disability; living in a family with a low income, or one which is experiencing problems with housing, domestic violence, substance abuse, or mental health; known to child protection; in statutory out-of-home care; Aboriginal and/or Torres Strait Islander, having a culturally and linguistically diverse background; having a young or sole parent, or a parent with a disability (adapted from the Kindergarten Funding Guide)

**Children with additional needs:** Children whose development or physical condition requires specialist support or children who may need additional support due to language, refugee or asylum seeker experience, complex trauma, cultural or economic circumstances (*refer to Inclusion and Equity Policy*) (*refer to Children/families experiencing vulnerability and/or disadvantage Definition*).

**Early Start Kindergarten (ESK):** Early Start Kindergarten provides eligible children with 15 hours of free kindergarten each week led by a qualified early childhood registered with Victorian Institute of Teaching (VIT). ESK is available to children who are at least three years old by 30 April in the year they are enrolled to attend the program and are:

- from a refugee or asylum seeker background, or
- Aboriginal and/or Torres Strait Islander, or
- the family have had contact with child protection.

These children can also access free kindergarten the year-before-school through the ESK Extension Grant regardless of whether they have accessed ESK in the previous year.

**Eligible child:** as defined by the Victorian DE Kindergarten Funding Guide:

- a child who is at least four years old on 30 April in the year of attendance; enrolled for up to 20 hours per week or 800 hours per year in a Four-Year-Old Kindergarten; and not enrolled at a funded kindergarten program at another service

- a child who is at least three years old on 30 April in the year of attendance and is enrolled in a funded Three-Year-Old Kindergarten for 15 hours per week
- any child that is enrolled in an early childhood and education and care service must have an AIR Immunisation History Statement that indicates that the child is fully vaccinated for their age or who qualifies for the 16-weeks support period

**Enrolment:** An enrolment occurs when the provider has an arrangement with an individual or organisation to provide education and care to a child.

**Enrolment record:** the collection of documents which contains information on each child as required under the National Regulations ([Regulations 160, 161, 162](#)) and DE funding requirements (Arrival) including but not limited to parent details; emergency contacts; authorised nominee; transportation authorisations, details of any court orders; and health information including immunisation status. Enrolment records are stored securely in the service due to their confidential nature.

**Free Kinder:** A Victorian Government Best Start, Best Life initiative providing Free Kinder programs for four-year-old and three-year-old children in funded services, that have opted into the initiative.

Free Kinder supports families to access a funded kindergarten program by:

- providing a free up to 20-hour program to 4-year-old children enrolled at a sessional service
- providing a free 15-hour program to 3-year old children enrolled at a sessional service
- offsetting the funded kindergarten program component of parent fees for 3 and 4-year-old children enrolled at a long day care service.

**Kindergarten registration form:** The process of families providing initial information about their child to confirm their intention to enrol in kindergarten, administered by the kindergarten service. This includes collection of basic contact information, kindergarten preferences and any other details that may inform prioritised allocation in kindergarten ([refer to Attachment 3](#))

**Support period:** allows specific categories of children of families experiencing vulnerability and disadvantage to enrol and attend the service without an AIR Immunisation History Statement ([refer to Definitions](#)) or when the statement is assessed as not being up to date. Services complete the support period eligibility form with families during enrolment and keep a copy with each child's enrolment record. The 16-week support period starts on the first day of the child's attendance at the service. During the support period, the service is required to take reasonable steps to obtain the AIR Immunisation History Statement ([refer to Definitions](#)) and to encourage families to access immunisation services. Note: services are not required to exclude the child from the program at the end of the support period if an up-to-date history statement is not provided, except in the instance of an outbreak of an infectious disease.

**Local Government Area (LGA):** a geographic area governed by a local council or shire.

**Orientation:** Process to support the child's transition to the service, whereby families spend time at the service with the child a few times before leaving the child on their own. The time required for orientation and settling in will vary for each child and their family.

**Priority cohort:** From 2026 across the state, Aboriginal and Torres Strait Islander children, children from a refugee or asylum seeker background, and children who have had contact with Child Protection services can access up to 25 hours of kindergarten a week, increasing to up to 30 hours a week from 2028. Children from this priority cohort can be enrolled in more than 1 group at a single service (including 4-year-old, mixed age, and 3-year-old groups). In addition, any child who was supported by the Access to Early Learning program as a 3-year-old is eligible for these same hours as More Hours of 4-Year-Old Kindergarten priority cohort.

**Priority of access:** in instances where more eligible children apply for a place at a service than there are places available, the service must allocate places using the criteria outlined in the DE Kindergarten

Funding Guide (*refer to Attachment 1 and Sources*).

**Registration:** The process of families and carers giving initial information about their child to confirm their intention to enrol in kindergarten, administered by the service provider. This includes collection of basic contact information, kindergarten preferences and any other details that may inform prioritised allocation in kindergarten.

**School Readiness Funding:** funding provided by DE for programs and supports that builds the capacity of kindergarten services, educators and families to support children's learning and development outcomes.

## ATTACHMENT 1. ELIGIBILITY AND PRIORITY OF ACCESS CRITERIA

### FOR A FUNDED KINDERGARTEN THREE OR FOUR-YEAR-OLD KINDERGARTEN PROGRAM

Priority of Access (PoA) helps service providers determine which children are offered a funded kindergarten place first when there are more applications than places. This applies to all funded kindergarten programs in sessional and long day care services

Services must use the PoA criteria when there are more eligible children than available kindergarten places. This means services must:

- offer places based on the PoA criteria

PoA must be applied before any locally agreed criteria. Long day care services must apply the PoA criteria to all funded kindergarten places.

PoA applies to all children, whether they live inside or outside the local government area (LGA) where a service is located.

If your service is in a More Hours of 4 year old Kindergarten rollout LGA, once you apply the PoA criteria you must then prioritise children who live in the LGA. Children from outside the LGA whose nearest service is within it, must be prioritised before other children from outside the LGA.

These criteria apply to all 2027 enrolments.

All information relating to PoA criteria should be respectfully collected from families upon enrolment, recorded in each child's confidential enrolment record and entered into Arrival, where applicable.

## Tier 2

### Children currently attending the service

Children attending the service in the Three-Year-Old Kindergarten program and seeking to access Four-Year-Old Kindergarten at the same service for continuity of learning.

Priority should be given to these children to remain at the same service for their Four-Year-Old Kindergarten year.

Children enrolled and attending long daycare at Creative Minds Early Years.

## Services in More hours of 4-Year-old Kindergarten rollout LGAs

The department's PoA criteria apply to **all** enrolments for 2027.

Children that meet the More Hours of 4 Year Old Kindergarten priority cohort criteria also meet the Tier 1 PoA criteria. These children must be given priority over children who do not meet the Tier 1 criteria.

For services located in More Hours of 4 Year Old Kindergarten rollout LGAs:

- apply Tier 1 and Tier 2 PoA criteria first
- then give priority to children who live in the LGA, and to those who live outside the LGA but whose nearest service is located within it, ahead of other children from outside the LGA.

## Locally agreed criteria

Service providers can apply locally agreed criteria after applying PoA and, if relevant, More Hours of 4 Year Old Kindergarten roll-out.

- Order of waiting list registrations

These criteria must be documented and shared with families.

Kindergarten places must be allocated in line with anti-discrimination and human rights laws.

### KINDERGARTEN REGISTRATION PROCESS

#### Kindergarten registration dates

If families miss the registration close deadline, they can still register although they will be placed into a pool for second-round (or even later rounds) of allocation and are less likely to get their top preference. After second round offers have been confirmed, Creative Minds Early Years will continue to allocate children to kindergarten places where they are available. More places may **become available as children move kindergartens or withdraw, or when kindergartens add capacity.**

#### Registration

The quickest way to complete a registration form is online at <https://creativemindscolac.com.au>

A separate registration form must be completed for each child.

Families can register directly at Creative Minds Early Years, or we can assist with completing the registration.

To fill out the registration form, families will need to provide information about themselves and their child.

At this stage they may ask to attach any supporting documentation

The registration form may ask families for:

- Basic information about the child including name, date of birth, language spoken at home, previous kindergarten attendance and immunisation status.
- Details of any additional support the child might require due to a disability including intellectual, sensory or physical impairment.
- Contact details for the family or carer and any additional adults that should be kept informed throughout the process (e.g. another family member, a case worker or other support service staff member the family or carer trusts).
- Whether the child is identified as fulfilling any of the following criteria:
  - Is Aboriginal or Torres Strait Islander
  - Is from a multiple birth (triplet or greater)
  - have had contact with Child Protection

- Is in Out-Of-Home Care
- Holds, or has a family member who holds, a Commonwealth Health Care Card, Commonwealth Pensioner Concession Card, Department of Veteran's Affairs Gold Card or White Card, or a Refugee or Asylum Seeker Visa.

  - Statement from the Australian Immunisation Register (AIR)
  - letter from the doctor or midwife who attended the birth
  - doctor's note attesting to a child's age
  - passport
  - citizenship documents or Australia visa documents or Immicard.
- Proof of residence: a utility bill, rental agreement or rates notice with family name and address (this must be the main residence of the child).
- Subsidy card and immigration visas (where applicable).
- Documents from Family Support Services or a MCH nurse confirming high support needs and/or disability, or letter from a doctor for complex medical needs (where applicable).
- Other proof required to verify the child meets local criteria.

### Enrolment

Once a kindergarten place has been accepted, the enrolment process can begin.

To enrol a child, families will need to provide copies of (if not already done so):

More information is available at <https://www2.health.vic.gov.au/public-health/immunisation/vaccination-children/no-jab-no-play/immunisation-enrolment-toolkit>)
- Documents detailing any medical conditions or requirements the child has.

\* Where a birth certificate cannot be produced, other acceptable evidence of a child's full name and date of birth includes:

- statement from the Australian Immunisation Register (AIR)
- letter from the doctor or midwife who attended the birth
- doctor's note attesting to a child's age
- passport
- citizenship documents or Australia visa documents or Immicard.

Kindergartens may also require additional documentation. The kindergarten should ensure that information regarding any additional documentation is easily accessible for families, carers and support services.

### Enrolment Records

Enrolment records (*refer to Definitions*) form part of the enrolment procedure and are completed by families after they have been allocated a place, and before commencing attendance.

### Cancellations

Families to notify Creative Minds Early Years in writing of their intention to leave the service.

### **Additional year of funded Kindergarten**

- Families of children who have been determined as eligible for an additional year must complete and submit a kindergarten registration form for an additional year, signed and dated by the early childhood teacher.
- The Declaration of Eligibility Form for an additional year of kindergarten must be submitted to the Department of Education
- From 2026, across Victoria, children who meet the eligibility requirements due to their learning or developmental needs can access an additional year of either, three-year-old Kindergarten; or Four-Year-Old Kindergarten, but not both.

### **School Exemption**

- Children who will turn six during the kindergarten year must apply for an exemption from school from the relevant their local ECIB that their child is seeking an exemption from school by submitting an [Exemption from school due to attendance in kindergarten program form](#) to the appropriate departmental regional office by 1 November in the year prior to the child turning 6.
- The kindergarten service must sight the approved exemption form from relevant education authority and note that it has been sighted on the child's enrolment record. Data on the number of children attending Kindergarten who are six years plus, and confirmation that the exemption was sighted for each child, must be provided as part of funding data collection process.
- Children who will turn 6 while attending their second year of Four-Year-Old Kindergarten can be exempted from school if a Declaration of eligibility for a second year of funded kindergarten has been completed by the child's kindergarten teacher.

## ATTACHMENT 4. LETTER FOR PARENTS/GUARDIANS WITHOUT ACCEPTABLE IMMUNISATION DOCUMENTATION

Creative Minds Early Years

[Address]

[Insert date]

Dear [insert name]

Re: Enrolment at Creative Minds Early Years for [insert year]

I am contacting you regarding your tentative place for [insert child's name] at [Service Name] in the [insert 3 year old or 4 year old program] in [insert year].

Under the *Public Health and Wellbeing Act 2008* early childhood education and care services cannot enrol a child unless the parent/guardian has provided AIR Immunisation History Statement.

AIR Immunisation History Statement includes evidence of immunisations and is used to assess whether your child is fully vaccinated for their age.

As we have not received acceptable immunisation documentation for [insert name of child] by the due date, and your child is not eligible for the 16 week support period, we are unable to confirm a place at our service for [insert year] and your child's name has been removed from our list.

Immunisation programs are effective in reducing the risk of vaccine preventable diseases. Immunisation from an early age helps protect your child against serious childhood infections. Further information about immunisations for your child is available from:

- your doctor
- [insert details of local government immunisation service]
- National Immunisation Information Line Tel. 1800 671 811
- Australian Immunisation Register: [www.servicesaustralia.gov.au/individuals/services/medicare/australian-immunisation-register](http://www.servicesaustralia.gov.au/individuals/services/medicare/australian-immunisation-register)
- Better Health Channel website: [www.betterhealth.vic.gov.au/campaigns/no-jab-no-play](http://www.betterhealth.vic.gov.au/campaigns/no-jab-no-play)

Should you wish to re-apply for a place for [insert child's name], we are happy to accept a new enrolment application accompanied by an AIR Immunisation History Statement. The new application would be considered in line with Creative Minds Early Years's *Enrolment and Orientation policy*.

Yours sincerely

## ATTACHMENT 5. CANCELLATION OF ENROLMENT AND NON-ATTENDANCE

### FOR FUNDED KINDERGARTEN

#### Cancellation of Enrolment

Families MUST notify **Creative Minds Early Years** and/or an Enrolment Officer in writing of their intention to cancel their child's enrolment. Fees will continue to be generated for that place until the **Creative Minds Early Years** is notified.

**Note:** This process does not apply to vulnerable children (*refer to Definitions*). Children and families that are experiencing vulnerability are to be supported according to their individual needs. Where children/families are linked to Child Protection and not attending; early childhood teacher or educator will need to inform their Case Officer.

#### Non-attendance

##### Term One

- Families that have accepted a placement and have not completed an enrolment form and not attended the service within the first 3 weeks of Term One will be contacted and informed their placement has been cancelled.

##### Families Traveling Overseas

- Families are required to notify **Creative Minds Early Years** prior to extended periods of travel, and ensure any applicable fees are paid if they wish to return to the service.

##### Non-contactable Families

- After two/three weeks of a child not attending the service, early childhood teacher or educator to call the family. If there is no response, educator to log this attempt and place in the child's file.
- After second week of the child not attending and the family has made no attempts to contact the service, early childhood teacher or educator to contact the family via phone/text and/or email. If there is no response, Educator to log this attempt and place in the child's file.
- After third week of non-attendance, early childhood teacher or educator to inform nominated supervisor and cross check families contact details.
- Nominated supervisor or approved provider to email family, ensuring a response date is documented in the email.
- If the family have made no attempt to communicate with the service before the response date, post a final attempt letter, ensuring a response date is documented in the letter.
- If the family has not responded to the final attempt letter before the response date, their placement will be cancelled.
