BACKGROUND AND LEGISLATION

BACKGROUND

The Best Start, Best Life reform will help all Victorian children dream even bigger through increased access to quality early childhood education and care. A critical part of the reform is Free Kindergarten, which will support access to two years of high-quality kindergarten programs for all Victorian children. All families with a child enrolled in a funded kindergarten program are eligible for Free Kindergarten, this includes both 3 and 4-year-old kindergarten programs.

Free Kindergarten supports families to access a funded kindergarten program by:

- providing a free 15-hour program to four-year-old children enrolled at a sessional service
- providing a free 5-to-15-hour program to three-year-old children enrolled at a sessional service (subject to the length of funded program offered)
- offsetting the funded kindergarten program component of parent fees for three and four-year-old children enrolled at a long day care service

Free kindergarten supports every Victorian child to get the best start in life no matter where they live. Research shows that play-based learning is a powerful way to support children's learning and development. Two years of early learning is a crucial part of their educational journey, these benefits last into the school years and beyond.

Regulation 168(2) (n) of the Education and Care Services National Regulations 2011 requires that funded services have a comprehensive written fees policy, and the content of this policy must be communicated to families. Any voluntary parent donations and/or fundraising must comply with the Free Kindergarten subsidy guidelines and be responsive to the local community.

DEFINITIONS

Approved child care: Approved child care services are services that have Australian Government approval to receive the Child Care Subsidy (*refer to Definitions*) on behalf of eligible parents. Approved child care includes centre-based day care, including long day care and occasional care, family day care, outside school hours care and in-home care.

Child care subsidy (CCS): A Commonwealth Government means tested subsidy to assist eligible families with the cost of child care. Payments are paid directly to approved child care providers. Further information can be found at: www.education.gov.au/child-care-subsidy

Early Start Kindergarten: A funding program that enables three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection to attend a kindergarten program that is planned and delivered by an early childhood teacher for up to 15 hours per week. Details are available at: www.education.vic.gov.au. Children that are eligible for Early Start Kindergarten (ESK) will continue to be enrolled, this ensure that service providers receive all funding entitlements and that these children have access to 15 funded hours of kindergarten across Victoria. ESK enrolments contribute to School Readiness Funding (SRF) calculations for service providers. It also allows the Department to continue to monitor efforts to engage the most vulnerable children in kindergarten across Victoria and provide additional targeted support where required through SRF or Early Childhood LOOKOUT.

Waitlist fee: A fee for when families register their child directly with a service (not part the councils central enrolment scheme). This fee will not be refunded as it is not part of the Free Kindergarten subsidy, and not related to the fee charged for delivery of the kindergarten program.

Excursion/service event charge: An additional charge required to meet the cost of special events or excursions that occur in response to emerging children's program needs. Events that are planned ahead and are included as an expenditure item in the service's budget do not incur this additional charge (*refer to Excursions and Service Events Policy*)

Fees: A charge for program hours over and above the 15 funded hours per week (600 per year) and/or wrap around care.

Free Kindergarten: A Victorian Government initiative providing free kindergarten programs for four-year-old and three-year-old children in funded services

Enrolment deposit: A charge to secure a place that has been offered in a program at the service. This should not act as a barrier to enrolling for any families. Services must ensure that families understand that the enrolment deposits will only be refunded if the child commences in the service.

Voluntary parent/guardian payment/donation: A voluntary payment/donation for items not directly related to the provision of the children's program. Explicit and written agreement from a parent is required for any voluntary payments. Attendance at the service is not conditional on this payment.

Wrap around care: care that is provided by a kindergarten service to kindergarten children outside of the 15 hours per week program.

4. Fundraising and voluntary parent payment/donations

Fundraising activities are an opportunity for families and communities to come together to raise money for a community need. **Participation in fundraising is voluntary.**

4.1 Child Care Subsidy (CCS)

Child Care Subsidy (CCS) is an Australian Government subsidy that can assist eligible families with the costs of childcare at an approved child care provider.

Approved child care are providers that meet certain standards and requirements, and are approved by the Australian Government. Approved child care providers must:

- hold the required approvals or licences to provide child care in the state or territory that the service/s operate in
- ensure the provider and any individual who is or will be a Person with Management or Control of the Provider is fit and a proper person to administer the CCS (requirements set out in Section 194E of A New Tax System (Family Assistance) Act 1999.
- be financially viable and is likely to remain so
- ensure that required fit and proper checks are carried out for each Person with Management or Control of the Provider, Persons with Responsibility for Day-to-Day Operation of the Service and In-Home Care and Family Day Care Educators

The amount of subsidy received is determined by the circumstances of the applicant's including the family income, the hourly rate cap and the hours of activity undertaken by the parents. Further information for parents can be found here: <https://www.servicesaustralia.gov.au/child-care-subsidy>

Long day care providers that offer funded kindergarten as part of the long day care program are required to directly offset the full payment of the Free Kindergarten initiative from parents' out of pocket fees (after CCS is applied). Fee reductions will be made proportionally across the year to families' bills, i.e. fortnightly or monthly. Only children receiving a funded kindergarten place at Creative Minds Early Years, led by a qualified teacher, are eligible under this initiative.

Exclusions and exceptions: Not available for providers that primarily provide an early educational program to children in the year that is two years before grade one of school (preschool or kindergarten).

4.2 Early Start Kindergarten

Early Start Kindergarten gives eligible children 15 hours of free or low-cost kindergarten a week for two years before starting school.

To be eligible, the child must be three by 30 April in the year they start kindergarten and meet one of the following criteria:

- be from a refugee or asylum seeker background
- identify as Aboriginal or Torres Strait Islander
- your family has had contact with Child Protection.

Children can also access free or low cost Four-Year-Old Kindergarten through the Early Start Kindergarten Extension Grant. Contact the service for further information.

5. Payment of fees for wrap around care

Fees are payable for hours over and above 15 hours per week (600 hours per year) and/or wrap around care.

The approved provider will regularly review payment options and procedures to ensure that they are inclusive and sensitive to families' cultural and financial situations.

Fees will be invoiced fortnightly to parents/guardians directly and must be paid by the date indicated on the invoice. Each invoice will be accompanied by payment instructions. Receipts will be provided for all fee payments.

Families are expected to pay the gap fee shown on the invoice each fortnight and not allow fees to fall more than two weeks into arrears.

Parents/guardians experiencing difficulty in paying fees are requested to contact the Approved Provider/Nominated Supervisor or Enrolment Officer to arrange a suitable alternative payment plan. The [Privacy and Confidentiality Policy](#) of the service will be complied with at all times in relation to a family's financial/personal circumstances.

6. Unpaid fees for extended hours/wrap around care

If fees are not paid by the due date, the following steps will be taken.

- An initial reminder letter will be sent to parents/guardians with a specified payment date, and will include information on a range of support options available for the family.
- Where payment is still not received, families will be invited to attend a meeting to discuss the range of support options available and establish a payment plan.
- Failure to attend the meeting and continued non-payment may result in a second and final letter notifying parents/guardians that the child's place at the service may be withdrawn unless payment is made or a payment plan is entered into within a specified period of time. This letter will also include information on a range of support options available for the family.

- The approved provider continues to offer support and will reserve the right to employ the services of a debt collector.
- If a decision is made to withdraw the child's place at the service, the parents/guardians will be provided with 14 days' notice in writing.
- No further enrolments of children from the parents/guardians will be accepted until all outstanding fees have been paid.
- A late fee of 15% per week is applied to any overdue fees.

7. Refund of fees

Fees are non-refundable (exceptional circumstances may apply – these are at the discretion of the Approved Provider)

There will be no refund of these fees in the following circumstances:

- a child's short-term illness
- family holiday during operational times
- closure of the service for one or more days when a qualified educator is absent, and a qualified reliever is not available
- closure of the service for staff training days
- closure of the service due to extreme and unavoidable circumstances.

In addition, there will be no refund where a family chooses not to send their child to the program for the maximum number of hours for which they are enrolled.

8. Support services

Families experiencing financial hardship often require access to family support services. Information on these services may be available from Creative Minds Early Years or alternatively families can contact the local council.

9. Notification of fee changes during the year for wrap around care

Fees set for the year would only be reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point. Parents/guardians will be notified one term in advance of any required fee increase and will be offered the option to request a payment plan.

10. Late collection charge

Approved Provider/Board reserves the right to implement a late collection charge when parents/guardians are frequently late in collecting a child (refer to Fee information for families).

Arriving late to collect a child is not acceptable behaviour, as this means we are operating outside the licensing hours and your place may be at risk if this behaviour is continued. A minimum of 2 staff members must stay behind until the parent (or their nominated emergency contact) is able to collect the child.

A late fee (for any reason) of \$2 per minute in 15-minute minimum blocks by Creative Minds Early Years ELC for each child will be charged for any child collected later than Creative Minds Early Years closing time. Parent picking up one child at 6:30 will be charged \$30, a parent picking up two children at 6:45pm will be charged at \$180 etc.

Parents/guardians acknowledge the fees will be applied when they have arrived late and signed out via Kidsoft, when they have collected their child/children. A staff member (Person in Charge) will also validate this, and the fees will be added to your account.

11. Non collection of children

If after 30 minutes after closing time, a child has not been collected and the centre has been unable to make contact with or had no contact from family or the emergency contacts, the staff will have no other option but to contact the child family services and/or the police to collect the child. Staff are not authorised to, under any circumstances, to drive the children home to the parent, put a child into a taxi or hand the child over to any person deemed not fit to care for the

child e.g. parent under the influence of drugs or alcohol in which case the staff (Person in Charge) will call the police immediately for assistance and advice.
