Dear Business Sponsor,

Southeast CASA is a local nonprofit that supports children who have experienced abuse and neglect by providing trained volunteers to advocate for their best interests in court. This service is unique to our community and ensures children in foster care have a consistent, caring voice during difficult times.

In 2025, our volunteers advocated for **53** children across **39** cases. As the need for our services continues to grow, community support is more important than ever.

**To fund our advocacy, we host an annual fundraising event. We would be honored to have your business as a sponsor for the 2026 Gala de la CASA. While ticket sales help cover event costs, they do not fully support the ongoing work of our volunteers throughout the year. Your sponsorship would directly contribute to training and supporting our volunteers, allowing us to expand our reach and serve even more children in need.**

Your partnership would make a direct and lasting impact on the lives of children in our community. I would be happy to discuss sponsorship opportunities and answer any questions you may have.

Thank you for your consideration. We look forward to the possibility of working together.

Sincerely,

*Stacy Starzl Hansen*
