## THE STORY

Domenico Clerico is one of the most well respected legends in Barolo and his wines have long been celebrated for their extraordinary richness and striking aromatics. The estate is situated in Monforte d'Alba, right in the heart of Barolo with outstanding vineyard holdings in four of the greatest crus of Monforte: Ginestra, Pajana, Mosconi and Bussia; Baudana in Serralunga. His priority was working among the vines, strongly convinced that in order to make great wine one must care for the vineyard with love and dedication.
