THE STORY

In 1971 Sandro Fay began the restoration of his family's small vineyard in San Giacomo di Teglio, within the Valtellina Superiore DOCG, carefully selecting vineyards with different soil compositions and altitudes between 350 meters and 900 meters on steep mountain sides. Today Sandro's children, Marco and Elena have taken up the family vineyards. Marco studied oenology in Trentino and trained in Barolo. He translated those experiences when he returned to the terraced family vineyards and began producing single-vineyard wines of distinction united around the local Nebbiolo.
