Re: Extended Gratitude for your Donation

The Barbados Alliance to End Homelessness (BAEH) formerly known as the Barbados Vagrants & Homeless Society (BVHS) would like to express our heartfelt gratitude for your generous donation and for believing in our mission and purpose as an organization. Our Mission is “to rehabilitate and re-integrate those affected by vagrancy and homelessness back into mainstream society.”

The funds donated will go towards the daily running of our shelter for the homeless. We would like to express our deepest gratitude to you and your team for considering us, our mission and purpose would never be possible without person like you who support our cause. For that, we say “THANK YOU!”

As we move forward, we the members and staff of the Barbados Alliance to End Homelessness hope that our partnership can continue as we work to improve the circumstances of the homeless/vagrant community. Once again, we appreciate your donation and we are truly thankful for all that was done by the Barbados cultural Organization family. We wish you a fruitful year as our efforts can only be preserved by caring members of the community like you.

Yours Faithfully

Kemar Saffrey (President)
