ACCA Advanced Management Performance
Mr. Mike Li
MSc(UK), FCCA, FCPA(HK), ATIIHK, CTA

Mr. Mike Li is a seasoned accounting and taxation professional with over three decades of experience spanning public practice, education, and professional training. Currently serving as Principal of HKCA, he leads the accountancy training programs for the HKICPA's QP and the ACCA qualifications, shaping the next generation of accountants in Hong Kong and Mainland China.

Professional Journey

A graduate of Hong Kong Polytechnic, Mike began his career at the Hong Kong Inland Revenue Department and later honed his expertise in taxation and financial advisory roles at leading Big Four firms. Transitioning to education in 2000, he joined a prominent Asia-based education provider, marking the start of his dedication to nurturing talent. His distinguished career includes a tenure as Director of Student Education & Training at HKICPA (February-October 2006), where he spearheaded strategic initiatives for aspiring accountants.

Academic Excellence & Credentials

Mike holds a Master's degree in Accounting & Finance from the London School of Economics, and is a Prize Winner in Auditing and Taxation for his exceptional performance in ACCA examinations. His credentials reflect global recognition:

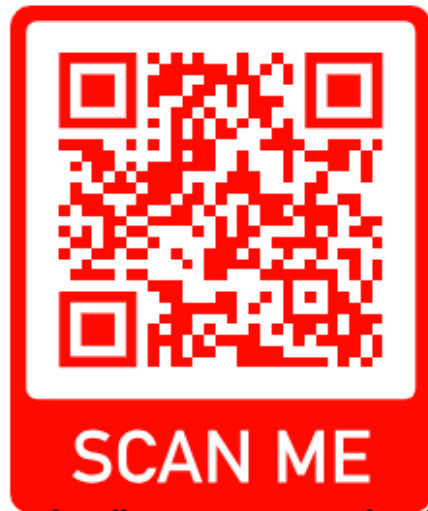

- Fellow Member, HKICPA (Hong Kong Institute of Certified Public Accountants)
- Fellow Member, ACCA (Association of Chartered Certified Accountants, UK)
- Certified Tax Adviser (CTA, Hong Kong)
- Associate Member, Hong Kong Taxation Institute

Educator & Taxation Industry

Over the past few decades, Mike has delivered impactful taxation and financial management courses across Hong Kong and Mainland China, renowned for his engaging teaching style and practical insights.

His mentorship has empowered countless students to achieve top affiliate status and international prize-winning results in professional examinations.

Under Mike's leadership, HKCA remains committed to advancing accounting education, equipping students with the technical rigor and ethical grounding needed to excel in dynamic global markets.
