Repurposed old FC portable court nets for repairing edges of CFN barrier nets. No more chicken wire! Ball bins provided by CAMS were replaced at both locations.
5. **Programs**: TT: Mommies and Muffins was a huge success. Approx 50 players. RR style play with good feedback. Proposed to offer Daddies and Donuts in June. Offer only 3.0-4.0 leveled play. Eliminate 2.5. Other ideas for" Men only" options were discussed by the BOD but no one is available to help for the proposed date of June 13. TT/MM will work Daddies and Donuts. MM will continue to offer monthly open play throughout the summer.
6. **Vice President**: ALC: Dinko DeMayo was a great success. Leveled play sign-up was well received. A few members paid at the door. We need to make sure members are aware they need to pay in advance. ALC asked the question

whether volunteers need to pay for events. Discussion was held. This has been brought up in the past. There is no definitive criteria that can be measured as to “how much a person volunteers” to warrant free entry. Also, this will add to the cost of the event. A possible “Event for the Volunteers” was discussed to be held in November as a THANK YOU. ALC has a meeting scheduled with the HOP to discuss the Neighborhood vs Neighborhood event to be held in August. BFPC sponsored events will be Members Only. ALC will be making appointments to view new venues for the holiday party.

7. **President:** BL: Intercommunity play is finished. There may be some changes coming in the fall for the advanced group. More to come after the IC meeting next week. Ladder league meetings will be starting in August - play to begin in September. Scanners are still not on the FC gates. Additional bathrooms at CFN is a hard “no” from CAMS.

8. **Other Business:** N|A

9. **Next meeting Date:** New BOD team meeting 7/7 @4:00 at FC pool.
