

Thank you for the additions, **deletions**, corrections etc. I understood that the changes in wording from 2.5 3.0 4.0 etc would be changed to beginner, intermediate and advanced for the programs like Shark Challenge and King of the Court not our existing programs of Dill, Hot Spicy, and Jalapeno those would not change. If we want to not add this information at all at this time and table for another meeting we can do. I did clarify more on this.

 -
- Jeff Sheetz - Competition Director -
 - Jeff suggested we have a form letter type introduction or bio on each of the approved trainers so that it would be consistent with each trainer.
 - Jeff suggested we use different terms for categorizing play levels to beginner, intermediate and advanced levels of play versus a numeric number for some events like Shark Challenge. We agreed to do this going forward.
 - Effective July 1st the club will no longer be reserving courts at Fitness Center for instructional beginner play round robins.
