

MICHIGAN STEELHEAD AND SALMON FISHERMEN'S ASSOCIATION

Detroit Area Chapter

3240 CHASE, WARREN, MICHIGAN 48091

1/313/755-5975

Steelheader,

Our chapter meeting this month is on Wednesday, July 30th, 7:30 p.m., at the Troy-Hilton Inn, Troy; corner of 15 Mile Road & Stephenson Hwy. The featured speaker will be Stan Lieveuse, Fisheries Expert with the Michigan Tourist Counsel. The subject of our guest's program will be temperature and spectrum fishing.

A ballot for the election of State Board of Directors should be included with this month's Fishline. If it is, we will have ballots available for those who didn't receive it. Again we urge everyone to please vote; the only cost you will incur is a little time and (1) one thin dime, for postage.

We are also urging everyone to write their legislator, about House Bill 5277. This bill is to regulate the manner of taking and selling fish eggs as described by John Scott at our last meeting. I might add that we will have a copy of this bill at the July meeting for people that would like to see it. While you are writing your Legislator, why not tell him that you support the D.N.R. on their request for an increase in fishing license fee's. As you may or may not know the last increase we had on fishing license fee's was in 1968. We all want more from the D.N.R. are you willing to pay a little extra for it? Out of 50 states, Michigan ranks among the lowest in the cost of a fishing license. 39 states are higher and I don't believe they have the quality fishing that we support here. Tom Schneider will have a list of Legislator's, along with their addresses at this meeting.

Anyone interested in becoming a Director of the Detroit Area Chapter, please submit a resume to Tom Schneider at the July meeting. There are (2) two openings and the term will be for the remainder of this year. People that are unable to attend the meeting should send their resume to Tom Schneider, 3240 Chase, Warren, Michigan 48091. An election will be held at the August meeting to fill these positions.

Any member that has an ARM PATCH due him, is asked to stop at the registration desk and pick it up. Also anyone that wants to register a complaint with us, just write it down on a piece of paper along with your name and address. We promise to answer your questions or straighten out any problems, if you'll give us a chance. Just leave your letter at the Registration Desk.

A hot line for the Detroit area will be in operation August 1, 1975. Phone number will be announced at the July meeting.

Got a report from Dave Greshen, Captain of the Taxi II...Hey you winners of the Charter Boat Raffle, limited out on Lake Trout at Manistee the 2nd of July. Was it worth the \$2.00 Guys? If you didn't win last month you have a chance to try again. Such a deal-You can't refuse. This month's raffle will be for a charter of four on the Big Foot II and charter of two on the Sue Ya.

Say, how about bringing a friend to this meeting with you? If he signs up he'll get free tackle and if you bring in enough new members you could win a prize too!

KEEP A TIGHT LINE
SEE YA AT THE MEETING

P.S: Is anyone out there employed by, or does anyone own a print shop? If so PLEASE call Gale Spallinger 731-2596.
