September 2010

Tournament Season Finale at Onekama

This summer has been very tough fishing for most skippers and crews and the final tournament of the season at Onekama was no exception

Even though the forecasts were calling for decent weather for Friday and Saturday morning, that proved to be only 50% correct. The boats pre-fishing Friday had a beautiful day with no more than about a half foot of chop but fishing was very tough. Saturday was another story completely.

The tournament start was scheduled for 6:30 am but with winds and waves building overnight, the tournament co-chairmen decided to delay the start so that the actual lake conditions could be seen. Because the wind was somewhat offshore, the decision was made to start at 7:15 am. The 6 boats participating

Steve Pal shows off his 16.25 lb. King, Big Fish at the Onekama tournament

found conditions were very fishable in closer to shore but the fishing was still pretty tough. "Bad Dog" found three fish fairly early fishing "The Barrel", a deep hole just north of the port near shore. "Bobby's Toy" caught their first fish right out in front of the break walls in 35 foot of water and a second one over "The Barrel" a little while later.

The weather conditions worsened as the morning went on. Rain began to fall and winds picked up. A new boat to the tournaments, "Cos", skippered by Tony Cosbey, called it quits about 9:15am. You could hardly blame him though, as he and his two crew members made a pretty smart decision, considering they were fishing in a 17' aluminum boat.

See [Onekama](#) on Page 3

Manistee - "Almost Paradise" Does It Again

The Manistee tournament on August 28 started out with a big question mark. Would we be able to fish with the weather prediction of 2 to 4 footers building to 3 to 5's.

Eleven boats showed up at the captain's meeting. The wind was blowing around 10 miles per hour and there were boats going out into the lake from the river. We motored out past the pier head into 1 ½ to 2 foot seas.

report the week before. We planned on trolling 4 hours into the wind and 4 hours with the wind. We set up just south of the nets in 130 feet of water. I set two riggers down with fish catchers and flies. Before we could set out the other rods we had fish on! The fish were hitting the down riggers 80 to 90 feet down, and the dipsies as 250 to 350 feet back. We had 6 rods set, but could never manage to get out the seventh rod until 7:30 when we put out 2 copper rods with pro-troll E chip flashers and flies.

I decided to go where Bad Dog had posted a

See [Manistee II](#) on Page 4

River, Surf and Pier season gets into full swing

Singing Bridge

On Oct. 23rd, there will be a Surf fishing outing @ the "Singing Bridge". Last years event was very successful, so let's do it again.

Manistee River

Nov. 6th brings us back to the "Big Manistee River" and our on-going Fish-Off with the Metro-West Steelheaders and our reputation for winning "The Plaque" again. This has been a "Super Event" for us in the past, and will be again this year!!!

If any info. is needed for either event, contact Jerry Zabel @ 248-495-5914 cell or 248-350-8024. Let me know if you can make it!!

Special Bulletin

**Oppose the Proposed Federal Ban on Lead in Fishing Tackle.
American Sportfishing Association
Calls For Public Response.**

Anglers, hunters and other outdoors enthusiasts are being asked to contact the USEPA to urge the rejection of a petition that would ban lead in all fishing components including sinkers, jigs, weighted fly line and components that contain lead.

A federal ban of the use of lead in fishing tackle will have a significant negative impact on anglers and fisheries resources and greatly increase the cost of tackle. According to the ASA and Keep America Fishing, the ban would cause the prices of fishing products to sky-

Onekama cont'd from Page 1

For the first fish call at 10:15 am, "Bad Dog reported their 3 fish, "Bobby's Toy" had their 2 and "Lucky Strike" and "Vickie's Seacret called in with 1 apiece. Not too long after the fish call, "Lucky Strike" checked in on Channel 72 that they were returning to port because of the worsening conditions. Shortly after, Thor's Hammer made the same decision. Then, "Bobby's Toy announced they were having some engine problems and not wanting to take any chances returned to the harbor also. This left just two boats, "Bad Dog" and "Vickie's Seacret" fishing.

They stuck it out until 12:15 pm, which was five hours, just enough to make it an official tournament. No more fish were caught after the fish call. As a result 7 fish were caught by 4 out of 6 boats. Not exactly great fishing! Congratulations to

Tom Gorguze and his crew on the "Bad Dog" on their 1st Place finish.

The only bright spot for the weekend was the hospitality of owner, Jane Devoe and her staff at the historic Portage Point Inn. In addition to boat dockage and trailer storage, they provided us with fresh brewed coffee and the use of the office for our 5:30 am Skipper's meeting. Also, they let us use the area outside their game room for the weigh-in as well as the game room itself for our luncheon. They served a great meal of hamburgers, hot dogs, plenty of great toppings, potato salad, chips and cookies. The facility is top notch and they were very accommodating. Thanks very much to Jane and her staff!

Bob Ksionzek
Tournament Co-Chairman

Manistee II cont'd. from Page 1

We trolled for 4 hours south and caught fish all the way. By the 9:00 fish call Almost Paradise had 10 fish, Bad Dog had 5, and a few others had 2 and 3 fish. We turned around at 10:00 to do a north troll because the waves had started building and we wanted to get closer to the harbor.

At the 12:00 fish call Almost Paradise had 13 fish, Bad

Dog 6, Vickie's Seacret, Thor's Hammer, and Sloppy Joe each had 5. With two hours left to fish we made a slow troll toward the harbor. At the weigh in Almost Paradise took first with Bad Dog and Sloppy Joe close behind.

Detroit Area Steelheaders Board of Directors Election

DAS By-Laws call for Board of Directors election at the annual meeting. This year's annual meeting will occur on Tuesday, December 21 at our normal meeting location (APCC). Any dues paying member or officer can place a nomination. A nomination must be submitted at least 20 days (December 1) before the election. It should be in writing and signed. If you wish to become involved in the operation of the DAS you are welcome to run for election to the BOD.

This year we are losing some key people who have served the club well but are choosing to step down to committee positions or will leave the BOD entirely. **It is imperative that new people step into these positions or it will be difficult to keep the club running smoothly. Your club needs you. Please consider placing yourself in nomination for a club BOD position.**

To submit a name for this year's ballot:

Mail it - email it - or write it up and give it to me at any monthly membership meeting. Include the person's name and contact information. Have the nominated person sign it so we all know he/she is willing to serve if elected.

Dan Chisholm
