### '06 Boat Tournaments

The following is our 2006 schedule and Port Captains:

If you are interested in being a Port Captain for one of the tournaments, please contact me. We will not count Salmon Stakes towards Captain of the Year but we kept the weekend open in case members want to fish it.

The Big Fish Quest is scheduled for July 15th and 16th in Port Austin. It's not part of our regular members boat trolling tournament schedule. It's more of a special event.

We will also still do our Special People outing sometime in mid-June.

## ANOTHER "COOLER OF CHEER" RAFFLE IS HISTORY

Our annual Christmas meeting and Salmon Claus visit and the 2005 version of our "Cooler of Cheer" raffle took place on Tuesday, December 20, 2005. This year's raffle was not as successful as in the past with many people donating their monies to these various causes due to hurricane Katrina and other tragedies that occurred in 2005. The Cooler Raffle is a way for the Detroit Area Steelheaders to raise money to support various projects involving fishing on the Great Lakes and rivers in Michigan.

Dwayne Welder of Warren sold the most raffle tickets and, for his efforts, he

received a \$100 gift certificate to Gander Mountain. Bill Stanley of Clinton Township won a \$25 gift certificate also to Gander Mountain at the November meeting for turning in early sold tickets. Bill Shackleton of Westland turned out to be the big winner of the highly prized 2005 Cooler of Cheer.

Congratulations to the winners and to everyone else who won other great prizes at the meeting.

Thanks to all who continue to support us by purchasing tickets for this Cooler of Cheer raffle which is one of our big club fundraisers.

Chris Nytko  
Cooler Raffle Chairman

If you need something, check out the tables. Show up early (doors open at 7:00 p.m.) for the best selection or to set up.

## Looking ahead to a great boat trolling tournament season in 2006.

We've concluded another successful, (2005), boat trolling season. With changing water levels, sky rocketing fuel prices, and an ever changing Great Lakes Salmon and Trout fishery, what can we expect for this upcoming season? In early December, our top skippers from the previous year met to discuss and vote on boat trolling rule changes and agree on our upcoming tournament schedule. The most significant rule change

provides a 10 pt. bonus for weighing in four different eligible species. We will continue with a total of nine tournaments with the top five finishes counting for Skipper of the Year honors.

Our 2006 schedule continues to reflect the recent downturn in the Lake Huron fishery with only one tournament being held there. Also, this year, we will not count the Salmon Stakes toward Skipper of the Year honors. We did leave that weekend open so anyone from the club wishing to fish the Salmon Stakes can do so without conflicting with our schedule. We still encourage our members to support this event.

This season's tournament schedule kicks off May 6<sup>th</sup> at St. Joseph/Benton Harbor. This has traditionally been a Coho fishery at this time of the year but the king salmon fishing has been fantastic in recent years. Besides the water around the pier heads; the Cook Nuclear Power Plant, the junk cars, and the chalets to the south; and the clay banks to the north will often hold fish.

Our second stop, is at Grand Haven the weekend of May 20<sup>th</sup> and 21<sup>st</sup>. This will be our annual two-day tournament with points from both Saturday and Sunday combined to determine the final positions. This port often provides fast action with many limit catches.

Following Grand Haven, we will be fishing South Haven the weekend of June 3<sup>rd</sup>. This will be the club's first tournament at this port but from what we've heard from members who have fished here, the facilities and fishing are excellent.

After our first three tournaments, we leave the southern part of Lake Michigan to fish the always dependable Port Austin on the weekend of June 24<sup>th</sup>, and 25<sup>th</sup>. This will be our only tournament on Lake Huron this year but this port has always come through for some very close finishes. Once again, this port will host our annual team doubles tournament on Sunday. The team doubles competition matches the first place boat from the previous day with the last place boat and so on for an always fun event.

Our annual "Special People" outing is scheduled for June 17<sup>th</sup> this year and will be held at Toledo Beach Marina on Lake Erie. Any skippers who have volunteered their boat and time for this event will tell you that the reward of seeing the smiles on the faces of the special people is something you won't soon forget.

Next, we head back to Lake Michigan to Frankfort on July 22<sup>nd</sup>. Frankfort is one of the most picturesque ports on our schedule with some fantastic scenery as

seen from the water. Frankfort has some of the best structure of any of our ports with great fishing close to shore.

Our sixth event at Ludington on August 5<sup>th</sup> marks the mid-point of our schedule and is our ever popular annual Ladies Day tournament. As in recent years, the weigh-in will feature a pig roast and pot luck picnic. In this tournament, only the ladies are allowed to fight the fish while the men can set lines and perform netting duties. Ludington offers some of the most challenging conditions of any of the ports on our schedule with huge water temperature swings, under water currents and boat congestion to deal with. Make sure you get the latest information on the location of the nets in the area, load them into your GPS or chart plotter and stay clear.

We continue our schedule on August 12<sup>th</sup> with back to back weekends at Ludington. Some of the hot spots include three bears, the point and the bath house to the north, and the project, and Pentwater to the south.

Our eight and next to last stop is at Manistee on the weekend of August 26<sup>th</sup>. This port is a favorite with many of our captains as it often will produce some of the best catches and largest fish of the year. Three bears and the bank to the south and the green onion to Onekama to the north are some of the landmarks that you'll hear over the radio.

The 2006 tournament schedule wraps up with our second stop at Grand Haven on September 9<sup>th</sup>. Depending on water temperatures, the fish may be at the pier heads or out past 200 fow, but one

thing's for sure, the fishing should be excellent with a chance for a trophy returning king.

It's not too soon to start make plans for this upcoming season. Start getting your crews lined up and make your marina and motel reservations now. Get all of your tackle maintenance chores out of the way over the winter so you'll be ready to go come spring.
