

LADIES DAY AT OSCODA

FELLOWS MARINA TO HOST LADIES DAY.

The annual Ladies Day tournament is rapidly approaching and its payback time as the guys will have to do the work while the Ladies reel in the fish.

Unfortunately, last year's outing was canceled due to high winds.

Hopefully, this year's outing will produce better weather and the same results as 1990 when 164 total fish were weighed in.

So, start getting those muscles into shape and get ready to head up US 23 to Fellows Marina at that great port of Oscoda.

Lake Trout will probably dominate the catch, but, don't be surprised if a few kings show up to make things interesting. Regardless, lake trout are FUN to catch; especially in the 12 to 15 pound category.

For those who haven't participated in our ladies day tournament, the rules are that men can set lines and land the fish ONLY. Women must handle the poles after hookup. (And, I don't want to see any girls sporting beards or mustaches.)

As in the past, we ask that cooks bring a dish to pass at our annual potluck dinner after the weigh-in, which is definitely one of the highlights of the year. Just a friendly reminder, please keep the potato (no E) salad on ice while out on the lake. Along with the potluck, there will be an 80 lb. roasted Land Trout (pig).

The activities for June 27 will begin at 5:00 am with the skippers meeting at Fellows; a 6:00 start at the pier heads and fish calls at 9 & 11. Please pull lines at 2:00 PM and be in the weigh-in line by 3:00. The potluck will start when the weigh-in is completed or 3pm if there is a cancelation of fishing.

So, get those cow bells polished, the wobble-gloves dusted off, put the drain plug in. Its time to go fishing!
Dave Even - Port Capt.

OPPOSING VIEW

Ladies Day? Why is it called Ladies Day when it seems more like "Men's Day"? We have to pack the car and prepare our dish ahead of time. "Make sure you keep it on plenty of ice!" Then we're expected to catch the fish, but they will probably net it for us (aren't they helpful) And God forbid that we lose a fish. "Do you know how many points that's going to cost us?" And then just as you get comfortable, it's "Honey, can you get me beer?" Now, we head back for our picnic. Tired as we may be we chip in and set the table so the men have a great feast. After the food is devoured (we're lucky if we get a taste) it's time for cleanup as the men go off for a well deserved nap? Now, we can finally sit back and discuss what a nice day it was.

Despite all of this, I was disappointed I couldn't attend last year, but, I'm looking forward to this Ladies Day. Hope you are too. Cindy-Wet Paint

(OK guys, if this sounds like you, lets make this a special day and maintain

our fishing privileges.)

MANISTEE TOURNEY JULY 18

The 6th tournament stop for the Detroit Area Steelheaders will take the fleet to the port of Manistee. Our second trip of the season to Lake Michigan, Manistee should offer an excellent fishery.

Last year, the fishing here was outstanding. Try working the 70-90 foot depths and spoons in Black/Grape, Black/Raspberry or chrome/green chartreuse. Also, don't forget those dodger/squids.

The skippers meeting will be held at the park are near the ramp facility at the river mouth at 5:00am. This will also be where we have our weigh-in.

The tournament will start at the pier heads at 6:00 am with fish calls at 9 & noon on channel 72. We'll pull lines at 2:00 pm and you must be in the weigh-in line by 3 PM.

Don't forget Sunday's Team Doubles Tournament. This is where we match up the best and the last place boats to compete as a team. These doubles tournaments are a lot of fun and a great way to share information and techniques.

If you have any questions or need more information, contact port captain, Bill Shackleton at 422-3386 or Mike Wakulski at 585-6307.

So, lets see if we can top last year's numbers. Good fishin' and hope to see you at Manistee.... Mike Wakulski.

FISHIN' TALES is published monthly by the **DETROIT AREA STEELHEADERS, INC.** Views expressed in it are those of the authors, and the Editor. Its purpose is to inform members of issues, and events affecting sport fishermen, and to teach and guide the public to respect and appreciate our Great Lakes, rivers, other waters, and land.

THANK YOU!!!

TEACHERS PET WINS ST. JOE TOURNAMENT

What a turn for the better Mother Nature did for the Detroit Area Steelheaders at the St. Joe tournament this year! Waves were supposed to build to the 3 to 6 foot range, but luckily stayed in the 2 foot range giving us some easy sailing and productive fishing for most of the two days of the tournament.

With 34 boats dropping lines, this was one productive weekend. Sunday, Ma Nature held back graciously on the Thunder-dunders until most boats were safely on the trailers and on down the road.

The final tally showed Teachers Pet captained by Dave Even in first with a total of 193.09. He was followed (literally) closely by Bob Mitchell & crew on Kemo with a total of 186.11. In third...."Seven come eleven, Snake Eyes".....Bets-R-On captained by R. Betts with 170.10 points.

As always, a good time was had by all including the water gun brigade.

Taking the big fish spots this tournament we have Dave Even on Saturday with a 21.02 pound King followed by Don Anton with a 16.15 Lake Trout. and Milt Knapd with a 16.05 laker.

Sunday, it was Chris Nytko in first for big fish with a 14.09 steelhead followed by Joe Golaszewski with a 14.08 steelhead and Bob Mitchell with a 13.00 laker.

SWAP MEET IN JULY

Clean out the garage, check all of your tackle boxes, look in the bottom of your boat and go through all of your equipment that is no longer use to you. Bring it to the July membership meeting. The time of the meeting has been change to 6:30 to allow extra time to set up.

KEMO WINS AT HARBOR BEACH

The Detroit Area Steelheaders May 30th tournament at Harbor Beach has come and gone. As your port captain, I was hoping to change Al Schultz and a couple of other skippers minds about fishing at Harbor Beach, but, I don't think I succeeded this time. (Sorry Al).

All and all, I must confess that compared to the Blue Water Classic that took place two weeks prior to ours, our club did an excellent job. "Believe it or not!"

At the start of our tournament, I'd say that more than half of the boats that started took a Northerly course; with some going as far as Port Hope.

Leading the way at the first fish call with four fish was Bob Mitchell on Kemo, followed by Bob Herman with three fish and fishing on his new 24' Thompson. "Nice boat Bob!" Next came Voyager and Half R's with 2.

THE WINNING CATCH!

I definitely thought at this time that we had something going. Why, even the Lucky Falcon put a small king into the net.

(But, it turned out to be one inch too small) But, before I could get the fish stretcher out of my tackle box, my boy had already put the fish back into the lake.

Well, all joking aside, Bob and his crew came up with six more nice fish and the rest of the club just could not keep up. Congratulations Bob for winning this year's tournament and I see why they call you "Mr. Consistency".

Congratulations also go to Ron Hartman who won the big fish pool. Ron's big king weighed in at a hefty 22.01 pounds.

Usually, in each tournament we have that one skipper who goes out of their way to help someone. Well, this one had more than one. Like Mike Wakulski and Myron Dzierzanowski. What a job they both did. When Alice's Angler called in with electrical problems, Mike towed Les back to port. Myron towed Main Squeeze back to port. I'm sure that neither

was easy. Also thanks to the skipper that helped Capt Hook through the fog bank and back to port. What can I say other than Thanks Guys!

I'm sorry to say that my nephew Mark Lubowski was not as fortunate in the fog. Heading back to port, Mark hit a boulder and damaged his prop. How he made it back on his own only The Man Upstairs knows! But, to show what kind of guy Mark is he called last week and was ready to go to Port Austin. By the way, those two guys who went to help made it back too. "That's my boys!"

Finally, I'd like to add a special congratulations to Mark Lubowski and his high school sweetheart. On June 6, Mark & Mary tied the knot.

Joe Golaszewski
