- ◆ 9 New Members
- ◆ 10 Change of Pace
- ◆ 11 Upcoming Dates

Ed Eisch, Assistant Chief, DNR Fisheries Division brought his 35 years of experience to our July member meeting and expounded upon a number of important topics affecting our Michigan waterways. In a little over 60 minutes Ed:

- Outlined the operations at the DNR's two hatcheries, Wolf Lake and Thompson.
- Explained his opinion that "we are in a really good spot" regarding the most recent "consent decree"
- Outlined the DNR's Arctic Grayling Initiative.
- Revealed that the SOM has created a \$30 capital outlay program for 2024 that will be used to upgrade the fisheries critical infrastructure.
- Revealed improvements in the DNR "Mass Marking Program".
- Briefly discussed the SOM DNR funding process and how the incoming revenue is not keeping up with expenses.

This was one of our better meetings. Thank you Ed.

DETROIT AREA STEELHEADERS, INC.

P.O. Box 297, Sterling Heights, MI. 48311-297

The Detroit Area Steelheaders (DAS) was originally organized as a chapter of the Michigan Steelhead and Salmon Fishing Association (MSSFA). Tom Schneider, John Makela, Ed Raquel and Joe Sizemore, as a committee of four, founded the club in September, 1974.

The first organizational meeting was held on October 16, 1974. Forty one people attended that first gathering at the Northwood Inn. It was decided that the first 'annual meeting' would be held on December 4, 1974, and that date would be the official beginning of the chapter.

DAS quickly became the largest of all MSSFA chapters. It was the DAS' Super Spring Show that all other chapter shows were modeled after. The DAS started the first research trips on the Great Lakes, introduced river tournaments, and held salmon and steelhead river fishing clinics to teach the proper techniques in catching river run fish. This had never been done before.

In January 1990, due to conflicts with MSSFA, 96% of the members voted to withdraw DAS from MSSFA and be an independent organization. Our official name became the Detroit Area Steelheaders, Inc. a Michigan non-profit corporation.

Our official corporate purpose is: "To teach, inform, and guide the public to respect and appreciate the Great Lakes, rivers, and land around us. To promote and protect the fisheries resources therein."

Save the Date Salmon Trolling Planning Session

The planning date for the 2025 Skipper of the Year salmon trolling tournaments is scheduled for November 7, 2024. Captains who have participated in salmon trolling events in 2024 will be notified when the time and location have been established.

"Save the date".

Save the Date Ultimate Fishing Show

The Suburban Showcase Ultimate Fishing Show is scheduled for January 9 to 12, 2025. The Detroit Area Steelheaders will staff a booth for the entire show just as we have in prior years. As the show approaches a sign-up sheet will be available at member meetings. Please set some time aside during the days of the show to help staff this booth. The demographics of attendees of this show, are perfect for opportunities to showcase our club events and recruit new members.

NOTE:
BEST 4 SCORES WILL DETERMINE SOTY AT SEASON'S END.
OFFICIAL 1st TIE BREAKER IS BEST 5 SCORES.
OFFICIAL 2nd TIE BREAKER IS BEST 6 SCORES.

Congratulations to Joe Delise of Wonder on his first place finish in the Skipper of the Year Competition!

A pretty impressive win with 5 points recorded as his best four tournaments. Allen Devoll of Miss Adventure had a great season with 8 points and second place, while Joe von Grabe of Sloppy Joe finished third with an impressive 9 points.

Placing high in this competition is no easy task when you are aware of how many exceptional captains you are competing against. DAS has earned a good reputation over several years and is competitive in any environment.

2024 Meeting Dates / Locations

September 24, 2024	Member Meeting	Club 54
October 15, 2024	BOD	Roger's Roost

If you are attending, Gaspare needs to know
at least 3 days prior to outing to get an accurate count for lunch.
To register, call or text Gaspare Aragona (248) 330-1774
Attending name, event fee \$15, phone number.
You are in \$10 big fish pool unless you opt out.
Thanks, Gaspare

AOTY Manistee September 28, 2024

MANISTEE SALMON SHOWDOWN:

Place: Manistee River and Pier Fishing **Time:** 5:00am to 1:00pm **Weigh In:** 2:00pm

Trax Bar and Grill, 5073 N. High Bridge Road, Brethern, MI 49619

Best 3 salmon by weight for outing.

Fee: \$15 for event registration Plus \$10 big fish (You are determined to be IN big fish unless you opt OUT during registration).

Big fish payout 3 places.

All participants must contact James Anderson @ (313) 330-3680 or Laurie Gamblin @ (810)730-2373, via text at least three days prior to event.

Lots of fish are moving into the river. Best numbers I've seen in a while. Try different techniques to that bite. Beads, flies, spawn, bobbers or bottom bouncing.

"SET THE HOOK AND HOLD ON!!"

2024 Angler of the Year Schedule (Details will Follow as Needed)

Date	Locatin/Species	Coordinator
September 14	Lake St. Clair/Perch	Gaspere Aragona
September 28	Manistee River/Salmon	James Anderson
October 5	AuSable River/Salmon	Gary Gross
October 26	Manistee/Steelhead	A Kulpa/M Wyrick
November 2	Manistee/Steelhead/Surf	Bob Paradise
December 7	Caseville/Lake Trout	Rob Pinskey

As of September 11, 2024 the weather prediction for September 14 on Lake St Clair calls for mostly East wind between 5 to 10 MPH, no precipitation, and temperature between 64 to 82 degree F. That's fishable but the East wind on LSC can make it a bit lumpy. Best of luck to everyone as we finally get back to our Angler of the Year competition. See page 8 of this publication for additional details regarding this outing. Hope to see you out there.

DNR approves \$2.6 million in grants for recreational boating improvements and development

The Michigan Department of Natural Resources today announced more than \$2 million in grant funding to 10 communities throughout the state to boost recreational boating.

The funding is made possible through the DNR Parks and Recreation Division's waterways grant program, which began in 1947 with the goal of expanding the harbor system along the Great Lakes and boating access sites throughout the state. Today, the system includes more than 1,200 state-sponsored boating access sites, 19 state-managed harbors and 63 locally managed, state-sponsored harbors along the Great Lakes.

Each year, local units of government and state colleges and universities are eligible to apply for grant assistance for recreational boating improvements and development at grant-in-aid harbors and boating access sites. The grant-in-aid program provides matching funding to help support quality recreational boating infrastructure. Communities are asked to match 50% of required funds.

In 2024, projects in Alpena, Antrim, Bay, Delta, Genesee, Houghton, Huron, Leelanau, Mackinac and Missaukee counties were approved for projects that include marina renovation, dock replacement, dredging and canoe/kayak launch upgrades and restroom and shower facility improvements.

"Water and boating are at the heart of Michigan – Michigan ranks second in the nation behind Florida for registered boats," said Ron Olson, DNR Parks and Recreation Division chief. "We have residents who live on the water, those who travel all over the state to boat and visitors who come here from around the world because we are the Great Lakes State.

"Michigan offers outdoor recreation opportunities and picturesque views not found anywhere else, and so it's of utmost importance that the DNR helps invest in and fund Michigan's harbors and boating access sites for everyone's benefit."

Project selection

The Michigan State Waterways Commission, a seven-member advisory board whose members are appointed by the governor, works with the DNR on the use of dedicated funds, provided by boaters, for the acquisition, development and maintenance of public harbors and boating access sites and certain locks and dams.

The commission reviews recommendations for annual Waterways Program Grants. The grants are funded through the Michigan State Waterways Fund, a restricted fund derived primarily from boat registration fees and a portion of Michigan's gas tax that supports the construction, operation and maintenance of public recreational boating facilities.

Applications for the next round of [waterways grant](#) funding are due April 1, 2025.

Learn more about all DNR-administered grant programs at Michigan.gov/DNRGrants.

Prep Time
5 minutes

Cook Time
30 minutes

Yield
6 servings

Ingredients

- 1 salmon fillet (about 2 pounds)
- 1 to 1-1/2 teaspoons lemon-pepper seasoning
- 1 teaspoon onion salt
- 1 small onion, sliced and separated into rings
- 6 lemon slices
- 1/4 cup butter, cubed

DLL SAUCE:

- 1/3 cup sour cream
- 1/3 cup mayonnaise
- 1 tablespoon finely chopped onion
- 1 teaspoon lemon juice
- 1 teaspoon prepared horseradish
- 3/4 teaspoon dill weed
- 1/4 teaspoon garlic salt
- Pepper to taste

Directions

Line a 15x10x1-in. baking pan with heavy-duty foil; grease lightly. Place salmon skin side down on foil. Sprinkle with lemon pepper and onion salt. Top with onion and lemon. Dot with butter. Fold foil around salmon; seal tightly,

1. Bake at 350° for 20 minutes. Open foil carefully, allowing steam to escape. Broil 4-6 in. from the heat for 3-5 minutes or until the fish flakes easily with a fork.
2. Meanwhile, combine the sauce ingredients until smooth.
Serve with salmon.
