Thank you Anna for another great fishing report (AuSable River)

On Saturday October 10, the Detroit Area Steelheaders held the AOTY Outing in Oscoda on the Au Sable River for 3 Best Salmon, Steelhead, or Trout. Outing in Oscoda on the Au Sable River. It was a cool cloudy morning as Detroit Area Steelheaders made their way down to the river. Fishing started at 6am. Steelheaders were scattered around the river. Some at the meat hole near the Foote Dam, while others tried boy scout camp, the whirlpool, and Van Etten Dam. Unfortunately no one was able to fish the Foote Dam due to the construction area . High banks stairs were also closed from the flooding in the spring. Most were fishing at the meat hole and not a whole lot was going on early in the morning. The weather had warmed up a bit the last few days so I'm sure that did not help with the fishing. A few fish had been jumping around but no takers. Finally while still dark there was a taker across the river, unfortunately it was a Pike. A few more fish jumped around with hopes that the fish would bite. Some DAS members left to try other spots but yet no fish had been caught. Fishing was over at 12pm and weigh-in was held at the Au Sable Store. Only one lonely Coho was brought into the weigh. Bob Paradise took first place and big fish with a surprise coho weigh-in at 4.37lbs

Drawings were made for 2nd and 3rd place since only one fish was caught. Laurie Gamblin took 2nd place drawing and James Anderson took 3rd place drawing. The luncheon was held at the Au Sable Inn Restaurant. Thank you to Bob Paradise for hosting the outing and having the luncheon at the Au Sable Inn. Also thank you to Rabih Abdallah for providing us with some Baklava for desert. Thank you to all Detroit Area Steelheaders for participating and making memories doing what we all love doing best. See you all at the next outing on Saturday October 31 in Manistee for Best 3 Steelhead. FISH ON!!

Pg 7 Please Enjoy Anna Kulpa's Manistee Fishing Report

On Saturday October 31, the Detroit Area Steelheaders held their AOTY Outing out of Manistee for 1 Best Steelhead. DAS members could fish the Manistee River, beach, pier, Manistee Lake, Bear Creek, and Little Manistee above the Weir. The morning was cloudy and cool with a slight southeast wind, barely causing any wave action at the piers. 12 Detroit Area Steelheaders made their way to the river, beach, and piers and started casting lines at 6am. With the temperatures staying warmer than normal fishing was tough. With 3 members on the south pier, 2 on the north pier, 2 on the beach, and 5 on the river fish was soo slow that there wasn't even a morning bite. The wind started to pick up and a few clouds coming through caused some sprinkles but only for a short time. Steelheaders had a few bites on the north pier and then not long after a couple fish were landed. A fish was also landed on the beach, unfortunately the river fishermen and women were not so lucky. A fish was hooked in the south pier 30 minutes before lines were pulled and was landed just in time when lines were pulled at 12pm. Weigh-in was held at the Lions Pavilion. 1st place and Big fish went to Rabih Abdallah with 8.57lbs. 2nd place and 2nd Big Fish went to Mark Wyrick with 8.48lbs. 3rd place and 3rd Big Fish went to Bob Paradise with 7.95lbs. Only 3 out of 12 members caught fish. A Big Thank you to Bob Paradise for hosting the outing and having the luncheon at the Painted Lady. Thank you to all Detroit Area Steelheaders for participating in what we all love doing best. See you all at the next outing on Saturday November 7 in Manistee for 3 Best Steelhead. FISH ON!!
