August 26, 2025 Membership Meeting

The August Membership meeting was our clubs annual Pot-Luck dinner and Swap-Meet. Vice President Bob Feisel chaired this meeting as President Jim Zanke had other family matters to attend to.

Thank you to Kevin and Karen Longley. They did a great job as our hosts preparing the main entre that the DAS provided.

Tackle raffle was suspended for this meeting but there was a 50:50 drawing and an every member drawing.

Several swap-meet tables engaged in commerce and I believe the meeting was a great success.

September 30 DAS Member Mtg

As our featured September speaker, avid boat and river fisherman Blake Chetoski will share his knowledge fishing for salmon and steelhead. Familiar with the Betsie and other rivers Blake may share his ability to read rivers to locate hidden fish.

River fishing plays a large role in determining the winner of our Angler of the Year competition and several river competitions are approaching. Come on out and see what you can learn.

Our October meeting will feature Ethan Baker of the Great Lakes Fisheries Commission.

Member meetings also include recent tournament and outing reports along with Tackle Raffle, 50:50 raffles, and comradery. Join us!

On Sunday September 7, the Detroit Area Steelheaders held the final SOTY Outing in Frankfort on Lake Michigan 🐟🎣 A few days prior to and the actual day of the outing which was originally set to Saturday September 6, Lake Michigan was pretty angry not allowing anyone to fish on her waters. There were strong gale force winds with winds projected anywhere from 15 to 30mph and gusts up to 40mph within those 3 days and waves up to 10ft or more. Due to weather conditions the outing for the 6th was rescheduled to the 7th. The winds were forecasted to calm down to about 2 to 4 footers. On Sunday September 7, 4 brave Captains and their crews set out for Lake Michigan in hopes that the waters had calmed down and some fish could be found. The ride into the lake was quite bumpy with waves at 3ft to 4ft, lines were set at 7am. The lake was desolate with just the few boats unlike the weekend before with crowds of boats searching for salmon that were making their way towards Betsie Lake and into the Betsie River. Boats went straight out and dished back and forth between the piers, one went way out straight from the piers into deeper and colder water, and yet one went south towards the Herring Hole. The water temperature was the same throughout the lake and finding salmon made it tough. As the day progressed the waves were building more like 4ft to 6ft. Some Captains and Crew members were having a tough time with the waves and causing some sea sickness. Lines were pulled at 12pm and the weigh-in with lunch was held at the Frankfort Municipal Marina at 1pm. 1st place went to Wonder with 52.60lbs, 2nd place went to Moonshot with 15.45lbs, and 3rd place went to Vicki's Seacret with 13.65lbs. Big Steelhead went to Moonshot with 8.10lbs, and Big King went to Vicki's Seacret with 13.65lbs. A big thank you to Bob Fiesel for hosting the outing and providing a wonderful lunch of fried chicken, potato salad, coleslaw, blackberry pie and an assortment of cookies. Thank you to all Captains and Crew members for participating in doing what we all love to do best. See you all next season in the spring to continue our SOTY Outings. FISH ON

The weather on Lake St Clair was near perfect for perch fishing as almost 30 DAS anglers headed out from the DNR Harley Ensign boat ramp on Saturday, September 13. The problem was it was too perfect. The water surface temperature was too warm and the bite was poor. Almost everyone caught perch but most of us had to settle for the smaller 7" to 8" little guys. There were a few nice size perch caught as you can see in the chart above but the catch, on average, was smaller than we would have liked. I believe as the weather cools the bite will improve but it did not happen for us on this outing.

Bob Paradise, Curtis Williams, and James Anderson took the top three spots with Bob also winning big fish.

Gaspare Aragona chaired the event and put on a good show with a great lunch and everyone went home happy but not with as many perch as we would like.

Pictures from this event and others can always be found on the DAS website.
