# "Fishin Tales" III

## December 16, 2025 Annual DAS Member Mtg

Thank you to Anna Kulpa for the following report:

"On Tuesday December 16, Detroit Area Steelheaders celebrated our anglers with awards to the best Skipper and Anglers of 2025 along with our annual Christmas Party. Salmon Claus and Mrs. Claus made an appearance to pass out gifts to all the girls and boys. Door prizes and 50/50 tickets were raffled to the lucky members whose numbers were drawn. Thank you to all members and families who made this night another unforgettable evening to spend time together and making memories during this Christmas season."

December 16 was also the clubs annual meeting and election of BOD Officers. Dana Jones is officially elected as our newest board member and undoubtedly will continue the exceptional work she has been doing as our treasurer. Jim Zanke, Rob Pinskey, and Dan Chisholm were re-elected for a new term.

Mike Lolli was recognized as our 2025 Member of the Year and Dan Chisholm was selected as 2025 Director of the Year. A huge thank you to Virginia Williams for all her good work as she departs the BOD. Thanks for all you have accomplished Virginia!

**NOTE: Start Time 7:00pm****Guest Speaker -Tackle Box Joey**

"Tackle Box Joey" refers to **Joey Elliott**, a passionate angler and USCG Certified Captain from Michigan known for his fishing expertise, competitive wins (like BASS and TBF State Championships), and engaging social media presence where he shares fishing tips, including applying the 80/20 rule to finding bass. He's an ambassador for fishing tackle, often showcasing his gear and insights online, focusing on effective lures and techniques rather than just having a lot of stuff. He'll be talking about ***Pan Fish Tactics thru the Ice.***

Don't miss it! Should be a pretty good presentation!

Also, Tickets for the 2026 Sportsmans Dinner will be available, Info on the next 2026 AOTY outing as well as the 2026 SOTY Schedule.

There is a lot of work that goes into planning and executing any DAS Club outing. It starts with the board of directors laying out the annual plan and passing the plan down to the appropriate committee to turn the plan into action. The Skipper of the Year Committee and the Angler of the Year Committee set up meetings where schedules are decided upon regarding what ports we should visit and what dates are good for each port. It can get complicated and prior year results are considered before a schedule is decided upon.

Once a schedule is published (SOTY-AOTY) a whole new plan must be made up where port captains for each port are solicited. This is the part I want to bring to the attention of membership because we all need to do our part to help this club be all we can be. The port captain basically runs the outing. Outing registration, fee collection, start/stop times, fish calls, weather boats, member safety, post event weigh-in, record keeping, pictures, and shore lunch all fall to the port captain. The point I'm trying to make is, its not an easy job.

Fortunately, the port captains we have are up to the task and we are glad to have them. But members can make their job easier. Register as early as possible for any event. The port captain has a budget and needs to know how many people need to be fed. Arrangements must be made with the food vendor in advance. If you must cancel, do it as early as possible. Don't make the port captain seek you out for payment. If you have registered, attend the weigh-in. Catch or no catch. At the least, communicate with the port captain to settle registration/big-fish payment. This lets the port captain know everyone is accounted for and makes the job easier.
