

# MEET THE **TEACHER!**

**MRS.**

## All about me

This is my first-year teaching and so far, I am absolutely loving it! Previously I worked in the dental field for 15 years and then became a stay-at-home mom. I live in Quakertown with my husband and 2 children who keep me busy with dance and baseball. We love to go to our mountain house any chance we get and we also love going to the beach! I look forward to the year with the kids and growing along with them!

## Furry friends

We currently do not have a pet, but we love dogs! We had a dog named Dixie!
