

MEET THE **DIRECTOR!**

MRS. LANDES

Welcome!

After over 22 years of teaching at Triple C, I became the director in August 2021. I love our school, the families, and children that fill our classrooms!

I've not only taught every program here, but have also attended as a parent!

I truly believe in the mission of Triple C and it's standing in the Quakertown Comm. For over 50 years. I hope you feel loved and

supported by us as you bring your children!!! I'm so excited to get to know your family better this school year!!

PS: I think we have a  pretty amazing staff!
