About Me

I am an introvert who has always worked better with kids than with adults. Their ready willingness to love and forgive inspires me, and their unflinching honesty makes me laugh every day. I have worked with kids almost non-stop since leaving high school, first as a nanny, then as a daycare worker, and then as a mom to my own children. This is my fifth year working at Triple C as the On My Own teacher, and I so blessed to be able to say that I love my job!

My Family

My husband, Mike, and I live in Quakertown with our two daughters, Elle (11) and Eden (9). And just this summer, we grew our family by four paws when we got a Golden Retriever puppy named Archie.

I Find rest, oh my soul, in God alone; my hope comes from Him. He is my rock and my salvation; He is my fortress; I will never be shaken. Psalm 62
