TRAINING CAMP

TOURNAMENT

WHAT IS A TRAINING CAMP?

A soccer training camp should be both entertaining and educational. The staff prepares fun, sporting recreational activities combined with an intensive soccer training program inspired by the philosophy and methodology of Spain Rush-SPF.

Spain is a great opportunity to become a top player in one of the best leagues in the world. In particular, the region to which Valencia belongs, the "Comunidad Valenciana", is next to Catalonia and Madrid, where there are more professional teams that debut in LaLiga. In Valencia we have three big clubs, Villarreal CF, Levante UD and Valencia CF, which are among the most competitive in the league.

Mestalla Stadium Tour

VALENCIA C.F.

Mestalla Stadium

The Mestalla stadium, Camp del València is a football stadium owned by Valencia Club de Fútbol, S.A.D. located in the Aragón neighborhood of the city of Valencia.

The Mestalla stadium has hosted most of the matches that Valencia CF has played at home. The name honors the ditch that ran next to the stadium. Mentioning Mestalla today evokes memories of great sporting moments, important events of all kinds, but above all, excellent football nights. Many generations of Valencian fans have passed through the doors of Mestalla, all united by a common passion: Valencia CF.

Angelica Cano.

I am so grateful to SPF, Spain Rush. My son has learned a lot, but more than that, it is the discipline that has made him a better player and a better person. Spain Rush is education for life.

Avinoam Cohen

I want to say that SPF is like family to me, from the beginning all was handled in a very professional way, all visas issues, school and for sure football training in the mornings with Spanish clubs! the team are very professional and kind. If needed I'm available to call to recommend.

Sherif Harydi

Well organised, passionate team of professionals. They are willing to take extra steps to help and support when needed. They care about all details of daily life not only football related issues, well connected with many Spanish football teams.
