FOR IMMEDIATE RELEASE

Warren County Park District Honors Supporters at First Annual "Friendsgiving" Gathering

LEBANON, Ohio — Warren County Park District hosted its first annual "Friendsgiving" Supporter Appreciation Gathering on Sunday November 9 at Armco Park in Lebanon to thank volunteers and partners for their contributions. With the help of supporters, the Park District has positively impacted lives on 7,400 occasions through its nature programs and logged 978 volunteer hours this year. In addition, the Park District also partners with other local organizations who host their own programs and activities in the Park District, increasing the options available to our community.

Supporters attending the "Friendsgiving" event shared details of their Park District partnership work with the group and enjoyed networking and forming new connections with each other. Park District CEO Matt Latham and Nature Education Supervisor Shannon Pennington provided a recap of programs held so far in 2025, and a preview of what's to come in 2026. This preview included exciting grant- and donor-funded projects made possible by partnerships with several groups in attendance. A potential new Armco Park dog park, new bike trail connection to Armco Park along SR 741, plus wetland habitat restoration and multi-use trail work at Landen-Deerfield Park in Miamiville, are all in process thanks to these partnerships.

Pennington commented, "Your efforts have made an impact! With your help, many new people are learning about our Park District and everything we have to offer. We would not be able to reach this many people without your participation."

Warren County Park District is a county-wide park and green space provider, managing 1,716 acres in 12 parks across the County including its flagship parks, Armco and Landen-Deerfield. Our mission is to enhance our community's well-being by preserving quality natural spaces where all are invited to discover and experience the great outdoors. For more information, see www.WarrenCountyParks.com, email parks@warrencountyparks.com, or call (513) 695-3980.

How To Find A Bird Story Times

Join Warren County Park District Naturalists as we team up with libraries throughout Warren County for programs based around How To Find A Bird by Jennifer Ward. We will explore the birds large and small that call Ohio home, and learn how we can help them. Please check with each library for any registration information, if it's required, and children must be accompanied by a responsible adult.
