FOR IMMEDIATE RELEASE

Warren County Park District Announces Ribbon Cutting for Headwaters Restoration at Landen-Deerfield Park

MAINEVILLE, Ohio – Warren County Park District invites all nature lovers to celebrate completion of the **Headwaters Restoration at Landen-Deerfield Park** with a ribbon-cutting ceremony on **Friday, July 10, at 3:00 p.m.** The event will be held at **Landen-Deerfield Park, 2258 U.S. 22 & 3, Maineville, OH 45039.**

The Headwaters Restoration project transformed a former manmade pond into a natural stream and wetland system that improves water quality in the Little Miami River watershed, reduces flood risk, creates habitat for native plants and wildlife, and provides a more sustainable landscape for future generations.

In addition to its environmental benefits, the project creates new opportunities for nature play, education, and recreation. Visitors can explore trails, viewpoints, and restored stream corridors while learning how wetlands and streams improve water quality and support wildlife. The restored area serves as a living classroom where people of all ages can experience the value of healthy natural systems firsthand.

"This project demonstrates how parks can protect our natural resources while creating meaningful opportunities for people to learn, explore, and connect with nature," said Matt Latham, Executive Director of the Warren County Park District. "We're excited to celebrate this milestone with the community and recognize the partnerships that made it possible."

The project was funded through Ohio Governor Mike Dewine's **H2Ohio** program and the **American Rescue Plan Act (ARPA)**. Warren County Park District also recognizes the contributions of its project partners, including **Warren County Commissioners, the Ohio Department of Natural Resources, Deerfield Township, and Warren County Soil & Water Conservation District.**

The ribbon-cutting ceremony is free and open to the public. Staff will be offering guided tours of the new space.

For more information about the event and the project, visit www.warrencountyparks.com.

Warren County Park District is a county-wide park and green space provider, managing 1,716 acres in 12 parks across the County including its flagship parks, Armco and Landen-Deerfield. Our mission is to enhance our community's well-being by preserving quality natural spaces where all are invited to discover and experience the great outdoors. For more information, see www.WarrenCountyParks.com, email parks@warrencountyparks.com, or call (513) 695-3980.
