*Dear Friends,*

*February brings with it some fun celebrations. Who could take a month seriously when it begins with the glorification of the groundhog? And then of course, there is Valentine's Day. Valentine's Day, the celebration of romantic love, is also fun ... if you have a Valentine, that is! Otherwise it is just a reminder that there could be more love in our life.*

*Well, even for those of us who won't have a valentine this year, we are reminded each Sunday that we come to church that we are loved more than we can imagine. Instead of only celebrating love one day a year, we celebrate Easter and the love Jesus showed on the cross every week as we gather for worship. It might not be romantic love, but romantic love fades. God's love lasts forever.*

*So, whatever you are celebrating this month I hope you join us for our weekly celebrations of God's love! See you at worship!*

*God's Peace,*

*Pastor Ted*

## GSLC Book Club February 16th @ 4PM

February - *The Inheritance* by Dani Shapiro

What makes us who we are? What combination of memory, history, biology, experience, and that ineffable thing called the soul defines us?

In the spring of 2016, through a genealogy website to which she had whimsically submitted her DNA for analysis, Dani Shapiro received the stunning news that her father was not her biological father. She woke up one morning and her entire history—the life she had lived—crumbled beneath her.

*Inheritance* is a book about secrets—secrets within families, kept out of shame or self-protectiveness; secrets we keep from one another in the name of love. It is the story of a woman's urgent quest to unlock the story of her own identity, a story that has been scrupulously hidden from her for more than fifty years, years she had spent writing brilliantly, and compulsively, on themes of identity and family history. It is a book about the extraordinary moment we live in—a moment in which science and technology have outpaced not only medical ethics but also the capacities of the human heart to contend with the consequences of what we discover.

March - *What Was Mine* by Helen Klein Ross

## What is a Lectionary?

You know that every Sunday, a lector comes to the lectern and reads the two lessons for the day. Usually the first lesson is from the Old Testament and the second lesson is from the New Testament. But did you ever wonder who chooses the scriptures for the day – is it Pastor Ted?

Well, the scriptures come from a big book held on the lectern. This book is called a Lectionary. It is a pre-selected collection of scriptural readings from the Bible for use in public worship during the year. Lectionaries started to be used many centuries ago with revisions along the way. Ours is a 1996 version and it is 1,105 pages long.

The Lectionary is divided into three sections called Cycles, that is we cycle through each cycle. Cycle A is the Year of Matthew; Cycle B is the Year of Mark; and Cycle C is the Year of Luke. Scriptures from John are often interspersed among each Cycle. The cycles begin with the first Sunday in Advent of each year, and as of December 1, we are now starting Cycle A which is the Year of Matthew. You will notice for the coming year that the Gospel lessons will be from the book of Matthew. We just finished Cycle C at the end of November, the year of Luke, so you might remember that our Gospel lessons were always from Luke.

On December 1, we started Cycle A and will be back on Cycle A again in 2023 and the exact same scriptures will be read. In 2021 on Advent, we will be at Cycle B and in 2022 we will be in Cycle C only to return to Cycle A in 2023.

Many denominations all over the world use the lectionary. The Evangelical Lutheran Church does, as well as the United Methodist Church and Roman Catholic churches just as an example. If you attend any of these churches, the exact same scriptures will be read as if you were in our church. The Gospel that Pastor reads will be the same as if you were here. So that's what a Lectionary is!

### A Call for Lectors:

The lectionary makes it very easy for the person who is the Lector because it tells the Lector exactly what to read and what to say. The lectionary page is titled as to what Sunday in the church year it is, such as the First Sunday in Advent, the first scripture citation is listed, and before we start reading the scripture, it tells us to say, "A Reading from (whatever it is)". Then we read the scripture, and it tells us to say at the end, "The Word of the Lord," and then you respond "Thanks be to God." Then the second reading goes through the same process. All of this is in large print! I encourage you to sign up to be a Lector because everything is in front of you as far as what to say and read, and it's a good thing to be a part of the lector ministry. Think about it. We'd be happy to have you join the group of Lectors. Please see Francis Sullivan or Gloria Miller if you wish to discuss being a Lector!

YOU CAN MAKE A DIFFERENCE

## Women's Bible Study

If one of your new year's resolutions was to increase your faith and get back into the word of God, this women's bible study is for you! There is no homework, no need to worry if you could win a bible jeopardy game and no stress. We meet Wednesday nights from 6:30-7:30pm in the fireside room. We are currently studying the book of Hebrews and take turns reading different translations of the same verses and discuss. So bring your favorite translation of the bible and join us Wednesday nights from now through February 19<sup>th</sup>. We will take a break until after Easter and resume. Any questions contact Jill Anderson 559-351-1369

## OWLS 'Christmas Come Down' Recap

A train of OWLS chugged in early and out late, of Honey Baked Ham in January with Paul as the caboose. Marlene B.'s ticket was punched as a new passenger. Dee shared "I Can't Remember Your Name" for our health chuckle. "A Designated Driver Who Can STILL Drive at Night" was relayed by Pam. Thanks to Dee and Diane for switching tracks. Hoping to stay on schedule for February's Busy Bees in the Community Center.

## Mobile Directory Access

One of the benefits of the Lifetouch directory is that they have created a mobile directory for us. It is our printed directory in a web format.

Key features include one-touch phone, email, and mapping features.

**1. CONNECT:** When viewing information from the family view, or an individual profile, one-touch phone, email, and mapping features are available.

**2. SEARCH:** Searching is easy with the Mobile Directory

**3. CREATE A PDF:** In the family view, click on the Download icon.

We can limit the information that may be viewed by the congregation. If you do not want your address, phone or email available to the congregation, please let Kathy know, and we can update your privacy settings.

# FIFTH ANNIVERSARY PASTOR TED'S LIVER TRANSPLANT

Wednesday, February 5, will mark five years since our dear Pastor received his liver transplant. We rejoice with him as we remember the miracle that resulted in him receiving the donated liver. Praise God for His mighty works!

## **Confirmation Mentors Requested**

We have 5 HS youth beginning confirmation today, and we are hoping to pair each with at least one "mentor" to join them on this journey. What does a mentor do? A mentor stays in touch with their student each week via text, phone, or email, and will have a wonderful opportunity to get to know one of our delightful young people better. Mentors are also encouraged to take their student out to Dutch Bros or Jamba Juice or maybe even dinner. It's all up to you and your new (or maybe not so new) high school friend. See Julie or Pastor Ted if you're interested.

## *Congregational Potluck to Celebrate Valentine's Day on 2/9/20 @ 11:45*

Everyone is invited to eat together on 2/9 in the community center after the 2nd service to celebrate Valentine's Day and how much we love one another! Attendees at the first service are invited to attend the 10:30 bible study, hang out in the community center, or just return to eat together on Sunday, February 9th. The refrigerators in the back of Jacobson are available to store food, and there is a microwave and lots of outlets for crockpots, etc. in the community center. There will be cards and cribbage available, as well as board games for those who'd like to play a little in addition to eating. Maybe we shall even set up a couple of big games of "Hearts" - just in time for Valentine's! Come and share some special time with your church family.

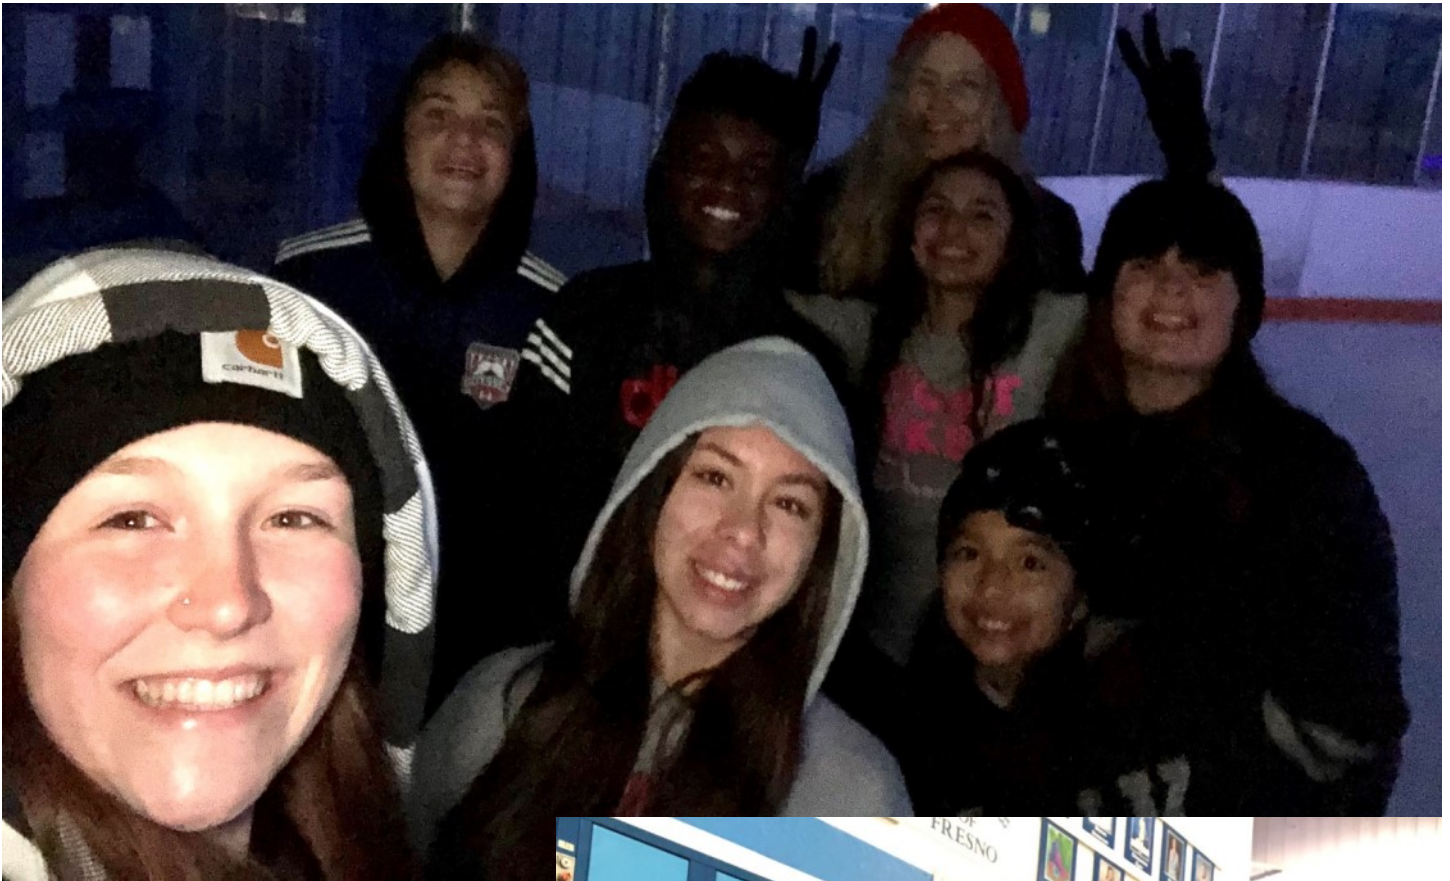

# ZooLights Visit

We had a great time marveling at the zillions of lights all aglow at the zoo on the 5th day of Christmas. A hearty and appreciative "thank you" to Mark Svetlik for surprising us all by treating us to hot chocolate and our admission fee! All of us were touched by his generosity and had a great time checking out all the sparkling exhibits and spending time together strolling through the Chaffee Zoo. We all agreed that we need to go back for a daytime visit soon, so be sure to stay tuned!

# HS/JHS Ice Skate Night

The high school and junior high youth had a fun time ice skating at Gateway Ice Center on 1/17. We were sad that some couldn't join us, but we were happy to run into other friends from school and church! We are planning to go again so those who couldn't make it get another chance. We'll let you all know in case any others want to come play. Thanks to Rhiannon Novell for taking the photos!
