Dear Friends,

This month includes the Super Bowl on February 12. As I am writing this the teams who will be playing have yet to be determined. For football fans this is a game we wait the whole year to watch. For the players it is the dream of a lifetime to play in the game of all games. Whoever ends up playing in this year's Super Bowl you can be sure they are a team that has learned how to work together effectively. They have learned how to capitalize on their strengths as each player does their part to assure victory.

I am reminded of coaches I had in high school and college who would tell us, "There is no I in team!" I have been thinking about how that applies to us in the Church. There is a u in the middle of the word CHURCH. As we continue in this early part of 2023 a good question for us to be thinking about is, are you (u) in the middle of your church? If you are not you should be. Are you participating in the life of this congregation in meaningful ways? Are you contributing to our mission in ways that are sacrificial but lead to our being a stronger and more effective Body of Christ?

Our church thrives when everyone does their part. Just like there are lots of teams who will not be in the Super Bowl this year there are lots of churches with plenty of people who sit on the sidelines watching others take care of vital and various aspects of ministry. Christianity is not a spectator sport!

I urge you to find new ways of serving God this year. If you need help finding what that means for you come see me and I will help you get connected. Be one of the people that makes this church great! May God continue to bless us as we work together!

God's Peace,
Pastor Ted

January Financials

YOUR GIVING MATTERS!

Dear Good Shepherd Family,

2023 started with the large deodar cedar between the Memorial Garden and the classrooms falling on Martin Luther King Day. There are pictures in this newsletter. We called a tree company, and they were able to remove it that day. The cost was \$2500.00. We have had a roofer out. We know there is minor damage to the classroom roof and the roof over the walkway, however, we are waiting on an estimate from the company. We are so grateful it fell on a holiday and was able to be removed when no children were on campus! We used dedicated funds that were in Campus Maintenance to cover the cost. We can not make a decision whether or not to turn into the insurance until we have the roof estimate. I dread to think what a fifth claim would do to our insurance premiums upon renewal in April...

We were able to get the sanctuary heating fixed for only \$569.00. That expense came out of general funds. The three AC condenser units were placed this month and the cage around them was finished. Those costs came out of designated funds.

January is the month when our subscriptions to QuickBooks, and QuickBooks Payroll (\$1074.) renew and we ran low on stamps and had to purchase stamps, so our expenses were high. The numbers below look really good – but I have to tell you \$5480.48 of the income is for February’s rent that came in early. I won’t be surprised if next month we are not in the negative a large amount. Continue to pray for our church and for its financial health. Thank you for your continued financial support.

Yours in Christ,

Caroline Sullivan, Treasurer

“Sea of Tranquility” by Emily St. John Mandel

The award-winning, best-selling author of *Station Eleven* and *The Glass Hotel* returns with a novel of art, time travel, love, and plague that takes the reader from Vancouver Island in 1912 to a dark colony on the moon five hundred years later, unfurling a story of humanity across centuries and space.

Edwin St. Andrew is eighteen years old when he crosses the Atlantic by steamship, exiled from polite society following an ill-conceived diatribe at a dinner party. He enters the forest, spellbound by the beauty of the Canadian wilderness, and suddenly hears the notes of a violin echoing in an airship terminal—an experience that shocks him to his core.

Two centuries later a famous writer named Olive Llewellyn is on a book tour. She's traveling all over Earth, but her home is the second moon colony, a place of white stone, spired towers, and artificial beauty. Within the text of Olive's best-selling pandemic novel lies a strange passage: a man plays his violin for change in the echoing corridor of an airship terminal as the trees of a forest rise around him.

When Gaspéry-Jacques Roberts, a detective in the black-skied Night City, is hired to investigate an anomaly in the North American wilderness, he uncovers a series of lives upended: The exiled son of an earl driven to madness, a writer trapped far from home as a pandemic ravages Earth, and a childhood friend from the Night City who, like Gaspéry himself, has glimpsed the chance to do something extraordinary that will disrupt the timeline of the universe.

A virtuoso performance that is as human and tender as it is intellectually playful, *Sea of Tranquility* is a novel of time travel and metaphysics that precisely captures the reality of our current moment.' —from Amazon.com

Sounds fascinating! Join us as we discuss (very casually) our book for February 2023. We meet Sunday, February 19 at 4:00 pm in the Community Center.

Please plan now to add this to your Lenten journey. More details to follow.

Kids' Salt & Light Every Sunday After Worship

We will meet up in Jacobson every Sunday from 11-12 after we've picked up our snacks. Any and all kids are invited to join Julie (or occasionally another adult leader) at the back table where we will gather for some opening check-in time. We will spend our next hour together with various activities to reinforce Jesus's radical message of love, forgiveness, and inclusion based on the morning's Scripture readings. We will be both inside and out as the weather permits.

STORM DOWNED TREE

2023 started with the large deodar cedar between the Memorial Garden and the classrooms falling on Martin Luther King Day. We called a tree company, and they were able to remove it that day.

We are so grateful it fell on a holiday and was able to be removed when no children were on campus!

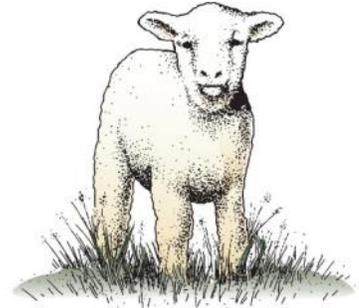

Thank You, God!

A January Children's Church Moment

During the sermon a few Sundays back, we made lambs out of playdough to illustrate John's words about Jesus. "Behold the Lamb of God." We talked about how the names and words we use for people matter. Names and words do have power to build up and to tear down, so we don't want to be careless with them. At the same time, we can't allow the names others might call us to define us. Our true names are "beloved child of God" and "redeemed." Our lambs were all unique and interesting and beautiful. Just like each of us!

*Shalom,
Julie*

THE LAMB OF GOD,
who takes away
THE SIN
OF THE WORLD!"*
