You are welcome to join us at Good Shepherd Lutheran Church

Dear Friends,

The second half of this month we celebrate Easter. I can't remember an Easter that I've been more excited for. I think part of it is because for the past couple of years we haven't had the privilege of being able to gather for worship. We have been reminded about how blessed we are to live in a country where, under normal circumstances, we can gather for worship whenever we want. I don't think the pancakes or whatever we have at the Easter breakfast will ever have tasted better. We can take things for granted when they come to us with such regularity. This pandemic time has made me appreciate the life we have in the church more than ever!

At least at the beginning of this month we will still be watching Russia Destroy Ukraine. Maybe by the time you read this we will have joined the fray. At Easter we celebrate the Prince of peace. Peace is something that we can also take for granted. Our world needs peace now. Our world needs Jesus now. I pray that you can invite Jesus into your life so you can know more peace. We could all use a little more peace in our lives: at work, at home, and especially when we get tested in the world. Let's do what we can to bring peace into the world. See you at worship!

God's Peace,
Pastor Ted

Legend of the Dogwood Tree

In Jesus time, the dogwood grew to a stately size and lovely hue. 'Twas strong and firm it's branches interwoven
For the cross of Christ its timbers were chosen.
Seeing the distress of this use of their wood
Christ made a promise which
still holds good. "Never again
shall the dogwood grow
large enough to be used so.
Slender and twisted it shall be
with blossoms like the cross
for all to see. As blood stains
the petals marked in brown
The blossom's center wears
a thorny crown. All who see
it will remember me, Crucified
on a cross from the dogwood tree."

March Financials

Dear Good Shepherd Family,

Our income was down this month. This was partly because we received BIA's rent the last week of February, which is just over \$5300.00. We only had a few unexpected expenses this month. We had a fire inspection at the end of February. They found the fire alarm was not working and required repair, which was a cost of \$252.52. The fire inspection cost \$486.00 for the inspection and reinspection. Our income is still ahead of expenses by \$5,430.33.

We collected a total of **\$3,390.00** for the ELCA Disaster response to the Ukraine!! This has already been sent to the ELCA, along with a previous \$5.00 donation.

We also received donations for new green paraments. These have been ordered and should be here in time for the Sunday after Pentecost!

Thank you for your continued support of Good Shepherd! It is appreciated. Looking forward to seeing everyone Easter Sunday. Oh – and it is not too late to order lilies!

Yours in Christ,

Caroline Sullivan

April's book: "The Year of Living Biblically" by A. J. Jacob

Sunday, April 24, 4:00 pm in the Community Center

Raised in a secular family but increasingly interested in the relevance of faith in our modern world, A.J. Jacobs decides to dive in headfirst and attempt to obey the Bible as literally as possible for one full year. He vows to follow the Ten Commandments. To be fruitful and multiply. To love his neighbor. But also to obey the hundreds of less publicized rules: to avoid wearing clothes made of mixed fibers; to play a ten-string harp; to stone adulterers.

The resulting spiritual journey is at once funny and profound, reverent and irreverent, personal and universal and will make you see history's most influential book with new eyes.

Jacobs's quest transforms his life even more radically than the year spent reading the entire Encyclopedia Britannica for *The Know-It-All*. His beard grows so unruly that he is regularly mistaken for a member of ZZ Top. He immerses himself in prayer, tends sheep in the Israeli desert, battles idolatry, and tells the absolute truth in all situations—much to his wife's chagrin.

Jacobs's extraordinary undertaking yields unexpected epiphanies and challenges. A book that will charm readers both secular and religious, *The Year of Living Biblically* is part Cliff Notes to the *Bible*, part memoir, and part look into worlds unimaginable.

Join us this month or any month one of our books stirs an interest in you. We meet the third Sunday of most months for casual discussion in the Community Center.

WEDNESDAY EVENING BIBLE STUDY for Spring

"TruthFilled" - The Practice of Preaching to Yourself Through Every Season

by Ruth Chou Simons

"Let the word of Christ dwell in you richly." —Colossians 3:16a

Many of us want God's Word to dwell richly in us, but life can get in the way. We'd never intentionally write chapters of confusion, failure, loss, pain, conflict, or suffering into our stories. No one plans to wrestle with her identity in Christ, to struggle to love her husband, to feel lonely in ministry, or to feel helpless in motherhood. Yet we often find ourselves in these seasons, struggling to embrace the gospel hope we need to fill our discouraged souls.

Join Ruth Chou Simons as she leads us through a practice of preaching gospel truth to ourselves by studying Paul's example in the Book of Colossians. In *TruthFilled*, Ruth combines her signature artistry and practical encouragement to help us face the changing landscapes of our lives with hearts inspired by beauty and filled with God's Word. In every changing season of life, we can rest in God's character, rehearse our identity in Christ, respond in faith, and remember God's provision for us. In today's culture, there's no shortage of self help, easy fixes, and worldly advice, but only the truth of God's Word was meant to fill you up and satisfy you fully.

Sunflowers for Ukraine

Pick up your free Sunflower seeds to plant in your garden & you can make a donation to Lutheran Disaster Response. Sunflowers are the national flower of Ukraine. Thank you for sharing the love of Jesus!

Sunflowers were **Ukraine's national flower** to start with. The flower is an integral part of the Ukrainian tradition and is found in the yards of village houses in the country. Sunflowers are also a part of women's dresses worn during celebrations in Ukraine. Following the war, it has taken on a new and defiant role as it became a national symbol. Amid the ongoing war between Russia and Ukraine, sunflowers have taken on a new role in the world as they became the symbol of Ukraine's resistance to the Russian invasion. As Ukraine continues to fight Vladimir Putin and his troops' invasion, Ukraine's foreign ministry on Tuesday shared a video depicting how people in the country are 'greeting' the Russian forces and one among them went viral. The video of a Ukrainian woman telling Russian soldiers to put sunflower seeds in their pockets so that flowers would grow where they die in battle was largely shared by citizens worldwide.

Owls (Older Wiser Lutheran Seniors) From The Hooties

Obedience

By George MacDonald
(1824-1905)

I said: "Let me walk in the fields."
He said: "No, walk in the town."
I said: "There are no flowers there."
He said: "No flowers, but a crown."

I said: "But the skies are black;
There is nothing but noise and din."
And He wept as He sent me back -
"There is more," He said; "there is sin."

I said: "But the air is thick,
And fogs are veiling the sun."
He answered: "Yet souls are sick,
And souls in the dark undone!"

I said: "I shall miss the light,
And friends will miss me, they say."
He answered: "Choose tonight
If I am to miss you or they."

I pleaded for time to be given.
He said: "Is it hard to decide?
It will not seem so hard in heaven
To have followed the steps of your Guide."

I cast one look at the fields,
Then set my face to the town;
He said, "My child, do you yield?
Will you leave the flowers for the crown?"

Then into His hand went mine;
And into my heart came He;
And I walk in a light divine,
The path I had feared to see.

for Fresno City College Rams**

A special honor for GSLC's Woody Wilk

A member here at Good Shepherd Lutheran Church since 1996, Woody Wilk is to be inducted into the California Community College Athletic Hall of Fame at a dinner in Ontario, Calif. on April 6.

Woody, retired since 2009 as Fresno City College's sports publicist, is being honored for his accomplishments on behalf of Rams' student/athletes and support of CCCAA state championships.

FCC's two previous CCCAA HOF inductees in 1986 and 2011 respectively, are the late Baseball Hall of Fame member Tom Seaver (Fresno High, 1962) and recent NFL Hall of Fame inductee, Tom Flores (Sanger, 1954), Seaver posted a 11-2 record and 1.58 earned run average at FCC in 1964. In addition to football, Flores also played one season of Rams baseball in 1955 leading FCC with a .372 batting average 20 runs batted in.

"I am deeply humbled and greatly honored to be among two of the San Joaquin Valley's sports icons whose accomplishments transcended beyond the playing field. Go, Rams!" Woody said.

He is a 1966 graduate of Texas Lutheran University.
