Dear Friends,

Happy Easter! The high point of April is, of course, Easter Day. I'm sure we will have an uplifting, meaningful worship experience at Good Shepherd! We celebrate the new life that is ours because of what Jesus did on the cross. This time of year is filled with reminders of new life all around us as Spring has sprung.

April is not only the month of Easter, it is also "Donate Life Month" highlighting the importance of organ and tissue donation. Being an organ recipient myself I know the new life organ and tissue donation brings. Did you know:

- 100,000 are waiting for an organ transplant in the United States.
- Every 10 minutes another person is added to the transplant waitlist.
- Less than 1% of all deaths meet the specific medical criteria to be an organ donor.
- 22 people die every day waiting for a life-saving organ transplant.
- 1 organ donor can save up to 8 lives.

On this month that we celebrate new life for eternity it is appropriate for us to consider what we can do to provide new life for others now. We have that opportunity. And you don't have to give anything until after you don't need it anymore! I hope you will consider being an organ and tissue donor. Please let your family and friends know about your decision. It is a powerful way to give life as Jesus did for us!

Happy Easter! I hope you experience new life however you may need to!

God's Peace,
Pastor Ted

March Financials

Dear Good Shepherd Family,

The numbers below do not reflect the kind of month we had. As way of explanation, last summer we had three air conditioner units go out in the school rooms. All three were on back order until just recently. The total cost of all three units was \$9,842.13. We received a very generous donation of \$10,000.00 to cover the cost. Unfortunately for the last many months we have had more expenses than income. I had been using the \$10,000.00 as a buffer to cover our expenses. All three units have come in. One bill came in at the beginning of the month, the second two bills just came in this week. That meant it was time to use the designated donation.

Since the Community Center was built, we have had a small saving account through Bank of America that was designated Community Center. The balance in that account was \$6,870.99. I have transferred \$6,600.00 from that account to our general account to cover payroll. That \$6,600.00 is showing as income. I have asked the council to think over where we can start making significant cuts to our expenses. We will be discussing this at our council meeting on the 20th.

We cannot continue to spend more than we take in. We have to get our expenses more in line with what we have coming in as income. It doesn't work for your home finances, and it does not work for our church. Next week I will be sending a breakdown of exactly what our ongoing expenses are for their review. If anyone in the congregation would like to be included in my email, I will include you. Just let me know. If anyone has thought, feel free to share those thoughts.

In the meantime, there is one thing we can all do. Please pray for your church. Pray for guidance for your council as we face some hard decisions.

Yours in Christ,

Caroline Sullivan, Treasurer

April: "The Beantown Girls" by Jane Healey

A novel of love, courage, and danger unfolds as World War II's brightest heroines—the best of friends—take on the front lines. 1944: Fiona Denning has her entire future planned out. She'll work in city hall, marry her fiancé when he returns from the war, and settle down in the Boston suburbs. But when her fiancé is reported missing after being shot down in Germany, Fiona's long-held plans are shattered.

Determined to learn her fiancé's fate, Fiona leaves Boston to volunteer overseas as a Red Cross Clubmobile girl, recruiting her two best friends to come along. There's the outspoken Viviana, who is more than happy to quit her secretarial job for a taste of adventure. Then there's Dottie, a shy music teacher whose melodious talents are sure to bring heart and hope to the boys on the front lines. Chosen for their inner strength and outer charm, the trio isn't prepared for the daunting challenges of war. But through it all come new friendships and romances, unforeseen dangers, and unexpected dreams. As the three friends begin to understand the real reasons they all came to the front, their courage and camaraderie will see them through some of the best and worst times of their lives.

Join us Sunday, April 16 at 4:00 in the Community Center for a casual discussion of this month's book. You are invited to join the group in any month that our book strikes your interests.

There are no long-term commitments!!

Mark your calendars for **Wednesday, April 12th**

We will begin our weekly bible study at 6:30 in the Community Center

Entrusted, a study of 2nd Timothy

In Paul's final letter, he charged Timothy, his beloved son in the faith, to not be ashamed to fulfill God's call on his life. In the 6 session Bible Study, Beth Moore will challenge you to do the same.

God has a plan for you. He has entrusted you with the gospel message and has gifted you to carry it to the furthest reaches of this planet. He's calling you to be His mighty servant, willing to face whatever difficulty you encounter as you carry out His mission.

I should already have enough books for us; no need to order one on your own.

Contact Sharon Rowley if you have any questions (shandrow@outlook.com).

Roeding Grocery Distribution

The assembled groceries to be distributed to Roeding School during the holidays. Vonny's niece, Julie Weigand, has donated more than \$2,000 in benefits her family received related to COVID relief. They were eligible for these benefits because they had a school age child in the Central Union School District. Julie's family chose Good Shepherd Lutheran Church to be the recipient of the funds, which were then designated to be earmarked for our Holiday Food Baskets.

Pam Gerster, Chair of Good Shepherd's food distribution, said—
"We are so grateful for this generous donation which has enabled us to reach out to even more families in need."

HAPPY 99TH BIRTHDAY TRIBUTE TO IRENE PIERINI

Irene Pierini celebrated her 99th Birthday in style! Thinking she was simply going out to a nice dinner, her entire family surprised her by reserving a special room at Pacifica, the residence where she now lives! She was surrounded by children, grandchildren and great grandchildren! At the end of the evening, her family presented her with a lovely wooden cross.

Irene and her late husband, Adolph, were charter members of Good Shepherd. They met at a Bass Lake Picnic/Dance when she was 20, where she taught him how to jitterbug! After meeting Adolph her mother told her "If you don't marry that man, I will"! They had 3 children, Gary, Greg and Becki, and are blessed with 5 grandchildren, 8 great-grandchildren and one on the way.

Irene is well known for her winning smile, her warm hugs, and her great love of music!. By the time she was in Junior High School Irene had memorized the words and music to over 100 songs...and she remembers them all to this day. When she was a senior at Edison High School, she wrote the words to their graduation song, "Tonight We Leave."

Irene was a happy member of the Good Shepherd Choir for many years and delighted the congregation with her rich alto voice as she sang many solos. She was a performer in "New Wrinkles" , the well-known and popular production presented annually at Fresno City College.

When asked to what she attributes her longevity she said,
"My Faith and My Family"!

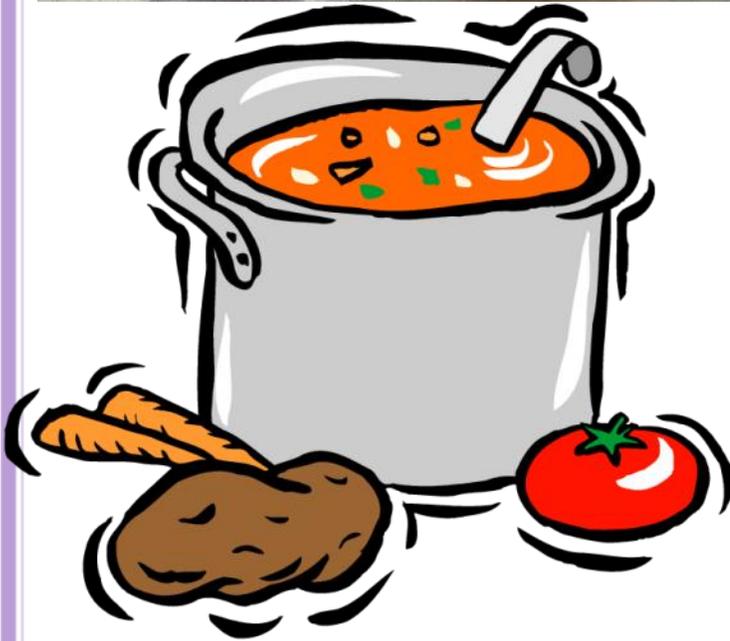

Happy Birthday, Irene!
You are a wonderful Blessing!

Soup Making with Suzie

On March 5th, we made "Stone Soup" with fresh vegetables brought in by the congregation.

Someone's In the Kitchen With Suzie

After worship on three of the Sundays in March, Susan Gutierrez led a class in plant-based soup making. Susan is a professional chef who has decades of experience in the kitchen and who has also taught classes at culinary school. We learned some of the techniques to make excellent soup each Sunday morning and then served it at the Lenten Wednesday Soup Supper later in the week.

# Church Beautification/Clean Up Day!

On Saturday, March 25, Marty gathered his flock of helpers to create a beautiful place to Celebrate Easter and beyond. Below are some of the flower donations we received.

Jennifer arrived with a flat of beautiful flowers to be planted anywhere needed.

The flowers on the cart are from the Memorial Garden Committee to be planted around the cross at the Columbarium.

Julie received flowers from Whitney Linder donated by her mother Susan. There were more in the trunk!

## Getting to work....

Marty got busy preparing the soil for the plants from the Kleins and also from Jill.

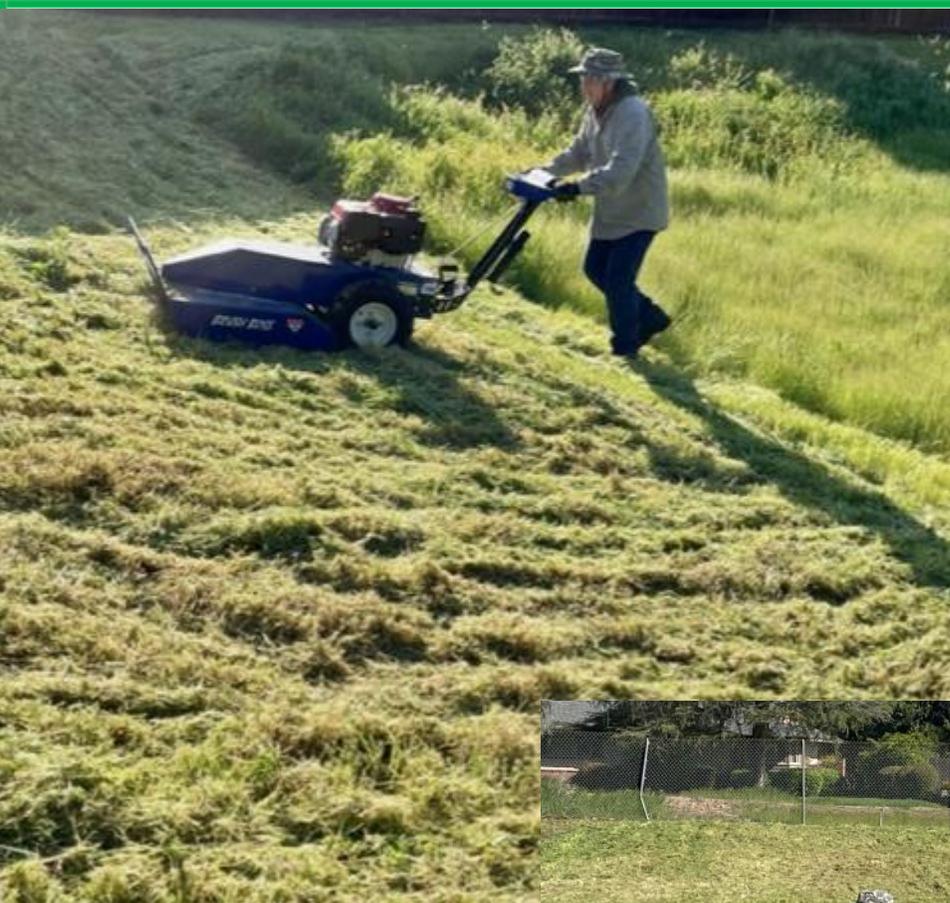

Dana and Janet planted the beautiful flowers at the entrance to Jacobson Hall.

Francis went after the weeds with the hula hoe, then Diane and Carol picked up anything that didn't belong so Francis could plant the flowers.

Francis, Diane and Carol worked on the area around the cross.

John Hays was busy mowing TALL grass way out in the "North 40" behind the Community Center.

Woody arrived just in time to clean out the large planters built for us by the Boy Scouts.

Joined by Julie and Jennifer, they finished clearing out all the tall weeds from 3 planters.

Then they had a perfect place for the pretty pansies from Susan.
