You are welcome to join
us at Good Shepherd
Lutheran Church

Dear Friends,

September is a time when summer schedules morph into our regular schedules. Kids are back in school. As a parent our schedules change as our kids are gone now for most of the day. Football season is here.

At church we mark the beginning of this new year of programming with our Rally Day Weekend on September 10-11. It is also our God's Work, Our Hands Weekend. We will join with other congregations across our Evangelical Church in America to serve our own local community. There are several opportunities for you to be involved. Please look through this newsletter for more information.

This may also be a time that we recommit ourselves to worshipping regularly after the more relaxed summer days. If you have gotten out of the habit of coming to worship I encourage you to get back into the swing of things.

It is important that we take time each week to come together to worship the One who gives us all the days, whether summer or the rest of the year. Some people say they can worship God anywhere. What they are really saying is that church is not necessary. Who, then, is really being worshipped? The communion of saints isn't just for our time in heaven. We gather weekly to thank, praise and worship God.

I look forward to serving our community and worshipping with you!

God's Peace,
Pastor Ted

August Financials

YOUR GIVING MATTERS!

Dear Good Shepherd Family,

Happy Labor Day! As you can see from the overview report, August was tough. We had an income of \$19,652. but expenses of \$33,130. Overall, our expenses, year to date, exceed our income by \$12,199. Hopefully the summer doldrums are over, and our attendance will pick back up. The good news is we haven't had any large expenses this month. We do still have 3 air conditioner units on backorder for classrooms (just over \$3,900. Per unit). Stay cool during this heat wave.

Yours in Christ,

Caroline Sullivan

WEDNESDAY EVENING BIBLE STUDY STARTS SEPTEMBER 21 @ 6:30PM

Isaiah was human just like us, and yet he radically trusted God and called anyone who would listen to do the same. His message highlights freedom from captivity and light breaking through darkness for those who would heed his words. Anyone in need of a little freedom and light in their thoughts, attitudes, or actions? Hanging out with Isaiah over the seven sessions will be like filling a trust prescription with amazing side effects of hope and peace in your life! Unpacking Isaiah's words will reveal that we can trust God more than our own human effort or the counterfeits the world suggests.

There is so much to study in Isaiah. It has been referred to as "a Bible in miniature." The book's sixty-six chapters and the Bible's sixty-six books include all genres of biblical literature, such as historical narrative, poetry, and prophecy. Some have compared Isaiah's first thirty-nine chapters with the thirty-nine books of the Old Testament because of the emphasis on God's judgment toward sin, while the last twenty-seven chapters parallel the New Testament's focus on God's grace.

There is a lot to unpack in this study. There are 7-weeks of study. We can take a break when we start to get overwhelmed. We will walk through this together, leaving no one behind; and finish by Thanksgiving.

Join us **Wednesday, September 21 at 6:30 pm in the Community Center** as we begin our study. Books are available from the usual sources, such as Christian Book, LifeWay and Amazon. The books are just a bit more expensive than we are used to. But they now include access to all the video lessons on-line through LifeWay. We will watch the videos each week and have group discussion as usual. If you need to miss a week, you can always keep up by watching the video on your own.

Sunday Salt & Light

Begins 9/18 from 11-1

We are reimagining Sunday mornings for youth and children. Children's church will continue to be available during the sermon portion of worship, featuring some kid-focused ministry moments and an activity of some kind. After worship, youth and children can grab some snacks with friends and family in Jacobson Hall. By 11:15, it will be Salt & Light time, and all kids and youth are invited to head over to the community center and other parts of the campus for bible story time, lots of creative play, and faith conversations. Families will need to pick up their children at 1 pm. I'm looking for a few adult substitutes and/or regulars to join us weekly or occasionally so we can split into primary and secondary age groups. See Julie if you have any questions or if you'd like to spend some time with our super great kids and youth on a Sunday morning or two! 559-287-3457, 13jidx-on13@gmail.com, or complete the "Get Involved Card."

New Directory

Kathy is working on updating the directory using publisher, for when there are new members or for anybody that never received the spiral bond directory. She will be including birthdays and anniversaries so if the church does not have this info for any of your family members please email it to Kathy, or if you would rather she not list it you can let her know. It was also suggested that people with certain expertise could be listed next to their name, like 'electrician', so when members are needing some help they know who they can reach out to for assistance or contacts. If you know of any other updates or additions that need to be made please email Kathy at the church office: gslcfresno@att.net

She will be using the pictures from the original directory unless you want to provide an updated snapshot or selfie. You can email these pics to her or text her at: 559-593-5321.

THE SCIENCE

The skittles dissolve, but the colors do not initially mix with each other. The reason the food colors meet in the middle of the plate and do not initially mix is because each skittle has the same amount of sugar dissolving.

Notes of Gratitude

God's Grace Changes EVERYTHING! GIANT Thanks!

VBS was full of love and fun, just like it is each year! We got to roll around in God's grace and forgiveness and let it change us for the better. We were also reminded that God's grace is for ALL, and that if we let it, it will change our purpose, our community, and our perspective.

**THANKS to Our
VBS Volunteers!**

Many thanks to everyone who came and especially to all the people who made VBS possible again this year, giving of their time and energy to manifest God's grace through their joyful presence: Woody, Chris, Sean, Mary, Russell, Pastor Ted, Tesha, Ruth, Jim, Victor, Yvonne, Carol, Francis, Steve and Janet Mc. It is always so fun to see the various ages and generations interacting and playing together!

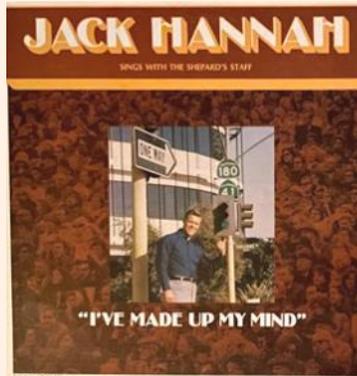

Thanks For Update!

Thank you, Kathy, for the Church Directory Update provided for us in the Sunday bulletin! I really appreciate having an updated list.
Diane

THANK YOU

Gordon and I want to thank you for the cards, calls, emails and texts we received on the loss of our brother-in-law Jack Hannah. We both want you all to know that Jack's legacy was more than pro baseball, coaching and the writing and singing of award winning songs about the history and life of the American Cowboy. Jack was a man of God first and foremost and wrote over one hundred songs of faith before he ever wrote one about cowboys! He recorded two albums of his spiritual songs clear back in the 70's and a couple more recently. He read the Bible every single day and witnessed for Christ all of his life whether on a baseball or football field, working cattle or "Ridin' Up the Glory Trail." Thank you again for your outpouring of condolences for our family.

A Big 'Thank You'

A big thank you to all of you who brought cookies for the reception held after the service for Richard Schumacher. We had plenty of cookies and I was glad to have some left over for the church social hour the next day. I have an amazing group of ladies who always come through for the Bereavement Committee. A special thank you goes to Mary Norris, Sandy Terstegen and Gloria Miller for helping with the set up and clean up afterwards. A EXTRA special thank you to Mary for the table decorations! Diane
