

EXODUS | 02 OT

Exodus is the second book of the Pentateuch (the five first books of the Bible), all written by Moses. However, it is the one most commonly sought to find information about both Moses and the Exodus, covering most well-known Bible stories, save his death (which is in Deuteronomy). The story of the Ten Plagues, while separated out for easier reference, can be viewed and studied as one story.

BREAKDOWNS

● = Classic Bible Stories
