Elder Jacquie Johnson

NOW LISTEN!

DISCLAIMER

As A LEADER

The measure (or level) of YOUR service to the MOG/WOG's ministry in which YOU serve, is the same level of ministry awaiting YOU.

Matthew 20:28 - just as the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many.

As a LEADER

Serving provides an
opportunity to
LEARN and **GROW**

Call to be an Armorbearer

- Woman thou art loose (WTAL) - 1999
- Served WOG 15 years
- Pains, pitfalls, and pleasure of serving
 - Grow as an individual and spiritually
- No Agendas

Armorbearer Role

The King James word armourbearer was translated from two Hebrew words.

- The first is nasa or nacah (naw-saw) is a primary word meaning **"to lift."**
- The second Hebrew word is keliv (keliv) which comes from the root word kalah (kaw-law'), meaning **"to end, to complete, to finish, to be done."**

From these two Hebrew words, we can see the **duty of the armorbearer was to stand beside his/her leader to assist him/her, to lift him/her up, and to protect him/her against any enemy that might attack him.**

My duty as _____ (title) is to stand
beside _____ (Leader name) to assist
_____ (Leader name), to lift
_____ (Leader name) up, and to
protect _____ (Leader name) against
any enemy that might attack him/her.

Armorbearer Duties

1. Must provide strength for his leader.
2. **Must have a deep-down sense of respect for his leader, and acceptance for, and tolerance of, his leader's personality and his way of doing things.**
3. Must instinctively understand his leader's thoughts.
4. **Must walk in agreement with and submission to his leader.**
5. **Must make the advancement of his leader his most important goal.**

6. Must possess endless strength to thrust, press and force his way onward without giving way under harsh treatment.
7. **Must follow orders immediately and correctly.**
8. **Must be a support to his leader.**
9. Must be an excellent communicator.
10. Must have a disposition that will eagerly gain victories for his leader.

2. Must have a deep-down sense of respect for his leader, and acceptance for, and tolerance of, his leader's personality and his way of doing things.

- God made us all different. At least 50% of the time, your pastor's way of doing things will differ from yours.
- That “difference” should not be allowed to cause a problem for you or your spiritual leader.

4. Must walk in agreement with and submission to his leader.

- You must have it settled in your heart that according to Romans 13:1-2, all authority is ordained of God. The Bible teaches that all authority has been instituted by God Himself, so to refuse to submit to **God's delegated authority is to refuse to submit to God.**
- **We must not look at the person, but at the office.**

Respect the Position!

YOUR leader is not YOUR FRIEND
nor YOUR PEER!

PEER – to make or become equal with or of
the same rank

***God will never establish YOU
as an authority until YOU
have first learned to submit to
authority.***

7. Must follow orders immediately and correctly.

To be a good leader, one must be a good follower. And being a good follower means taking care of things quickly and efficiently. **If you aspire to become a leader, then the one you serve today must be able to depend upon you to carry out his directives.**

***GREAT LEADERS START
OFF AS GREAT FOLLOWERS***

7. Must be a support to his leader

- Our job is to uphold, sustain, maintain and defend our leader, being there for him/her to lean on in times of need.
- God has called you and I to go out in front of our pastor for only one reason, **and that is to raise up our shield of faith and protect him.**

**You will never make any real progress
toward leadership until you have first
mastered the art of supporting your
spiritual leader.**
