SCRIPTURE HIGHLIGHTS:

Ephesians 2:10; *"For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do."*
God inspires His children through a combination of Scripture, the Holy Spirit, and personal experience, guiding them toward growth, safety, and love. He fosters spiritual growth by teaching them to recognize His presence and truth, often in quiet, subtle ways or through circumstances that require trust.

Matthew 11:29-30; *[29] Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. [30] For my yoke is easy and my burden is light."*
I as a Christian am a spiritually adopted brother of Jesus Christ. My brother, Jesus Christ, extended an invitation to me take His yoke upon me. What does He mean that it is light? When I take it and look to my right who do I see carrying the bulk of the load but Jesus himself.
Serving God with joy and thanksgiving is a transformative perspective that shifts focus from personal trials to divine faithfulness, turning daily gratitude into a lifestyle rather than just an obligation. True joy in service stems from acknowledging God's goodness in all circumstances, recognizing His presence in both sunny and rainy days.

MINISTRY LEAD'S COMMENTS (JACK ROBINSON):

I began my journey in 1982. Following a year of discipleship, I began serving my Lord and experienced firsthand the peace (and joy) that surpasses all understanding. Phil 4:7 Don't be a Jonah, serve willingly, trust God and as you look back on your life, you will understand. Remember, you were created for a purpose that only God himself knows. Serving Him is loving Him.

MISSION

Aspire Women's Center is dedicated to providing support and resources for women, men and families in need. Aspire Women's Center empowers individuals to make life-affirming decisions regarding, pregnancy, relationships and health.

April is recognized nationwide as Sexual Assault Awareness Month—a time to raise awareness, support survivors, and strengthen the networks that help individuals heal from trauma. While sexual violence affects people of all ages and backgrounds, many survivors face unique challenges when a pregnancy is involved. Pregnancy Centers play a vital role in meeting these needs with compassion, confidentiality, and practical support. At Aspire, we recognize that a positive pregnancy test can sometimes be connected to complex and painful circumstances. For this reason, we take the safety and well-being of every client seriously. As part of our intake process, we screen for intimate partner violence, sexual assault, and sex trafficking. These screenings allow us to identify individuals who may be experiencing abuse or coercion and ensure they receive the appropriate support. Our goal is to provide a safe, non-judgmental space where women can talk openly about their situation. For many clients, simply having someone listen and believe them is the first step toward healing. Our trained staff and volunteers are equipped to walk alongside women in crisis, offering emotional support, education, and connections to trusted community resources and area churches that can help support their spiritual needs.

HOW CAN YOU HELP?

- Do you know a registered nurse or Registered Diagnostic Medical Sonographer looking for a career?
- Would you be interested in volunteering as a Client Advocate. This would involve walking alongside women facing unexpected pregnancies by offering emotional support, listening without judgement, and sharing available resources in a caring Christ-centered environment.

Donations:

- New and gently used baby items
- Attend a sponsored baby shower
- Kitchen essentials (pots, pans, kitchen knives, crock pots, dishes, utensils, and small appliances)

MISSION

We mobilize local churches to transform lives and communities In the Name of Christ because we envision a world where Christian churches are united in purpose and fully engaged in actively living out their faith by lovingly serving people in need in their communities.

SPOTLIGHT FAMILY

Lots of Love: after working with this family for several months, we were delighted to celebrate the Christian vows of this couple followed by their baptism. Since March our partner churches have been working with them as they've struggled through many difficult circumstances. Serving this family in love has helped them come to know Christ as Savior and declare Him in baptism. They've become part of a local fellowship and are growing in Christ! We look forward to seeing how God works in and through them! The bride donated all her bridal items for the start of a wedding ministry; she wants to help others by loaning wedding supplies to those who need them through Love INC. God is so good!
