

RICCI'S GROUP OF COMPANIES

Heavy-Duty Equipment Mechanic

Location – Dryden

Wages – Based experience

Ricci's Group of Companies started small in 1974 when Louie Ricci began as an independent contractor in Ignace, Ontario. Since then, operations have expanded to five different companies that include haul, harvest, road construction, and wood chipping.

Currently, Ricci's Group of Companies is currently hiring heavy-duty equipment Mechanics. Ricci's Group of Companies offer competitive wages, benefits, and pensions to its employees and there is plenty of room for growth within the company (training, apprenticeships, management rolls, etc.).

Essential Responsibilities:

- Work in a safe and efficient manner
- Ensuring proper maintain and repairs to equipment in a timely manner
- Complete production reporting and other documentation as required in a timely and accurate manner
- Communicate effectively and professionally with other team members
- Other relevant duties may be assigned that are not specified above

Qualifications:

- Must have and maintain a valid G driver's license and a clean driver's abstract
- Must possess a valid form of government issued photo identification
- Must possess a minimum of 1-3 year heavy-duty equipment mechanic experience

Work Conditions:

- Must be open to night shifts
- Work will be in a shop as well as outdoors in various weather conditions
- Physically strenuous and demanding job, including lifting, pulling and managing heavy objects
