

# Guide to Host Sold-Out Plant Bingo Events

Ready-to-host Plant Bingo kits designed for plant shops, wineries, libraries, and any business looking to hold events,

## WHAT IS PLANT BINGO?

Plant Bingo is a fun, high-energy event where guests play bingo using plant images on the bingo cards instead of numbers.

Easy to host

New Event idea & TikTok viral

Perfect for any level of plant lover

A great way to increase foot traffic

---

## WHY HOST A PLANT BINGO EVENT?

Drive Foot Traffic

Plant Bingo brings new and repeat customers into your space.

Build Community

Guests connect, laugh, and leave with a memorable experience.

Low Effort, High Engagement

No complicated setup. No special equipment.

# WHY BUY FROM PARTY'N WITH PLANTS?

**I personally designed and created each bingo card from the ground up.**

Every card is uniquely generated, meaning your guests won't all be playing identical layouts.

## **Each card features:**

- High-quality plant images
- Clearly labeled plant names
- Large 8.5x11 formatting for easy visibility
- Clean, professional layouts that are colorful but not distracting

**I intentionally designed the cards to be easy to read from across a table or event space — because at live events, clarity matters.**

These aren't clip-art templates thrown together. They are thoughtfully created by us, event-tested bingo cards that look polished and professional in your space.

I've personally hosted small to large Plant Bingo events locally,

I understand what works in a live setting — pacing, visibility, engagement, and crowd energy.

# Frequently Asked Questions

## How many players can I host?

Simply select the package that matches your expected attendance. Each kit includes a set quantity of uniquely generated bingo cards, and additional card sets can be added if needed. Whether you're planning an intimate gathering or a large community event, there is a package designed to fit your group size.

## How long does the event last?

We recommend planning for 1.5 to 2 hours. This allows time for guest arrival, multiple bingo rounds, prize distribution, and social engagement. Most hosts run 5–7 rounds comfortably within this timeframe. The pace is flexible and can be adjusted based on your audience and venue style.

## What prizes should I offer?

Plants are always the most popular prize. The excitement of winning a real plant is what makes Plant Bingo such a memorable experience. Guests genuinely want to take home greenery.

**If you do not have access to plants, we can help. Our Plant Prize Packages are where we ship live plants directly to you for your event.**

# Frequently Asked Questions

## Can I customize the cards?

Yes!

We offer a customization add-on that allows you to add your business name to the footer of the bingo cards. This creates a branded, professional look and reinforces your business throughout the event.

We will send examples of your custom cards for your approval.

## Do I need plant knowledge to host?

No prior plant knowledge is required.

While having some plant familiarity can enhance the experience, it is not necessary to run a successful event.

The most important ingredient is your energy. A confident, enthusiastic host creates the fun atmosphere that makes Plant Bingo memorable.

***It works especially well as an event that drives repeat events and a way to introduce new customers to your place of business.***

# PLANT BINGO
