

# Guide to Host Sold-Out Plant Bingo Events

Ready-to-host Plant Bingo kits designed for plant shops, wineries, libraries, and other craft small businesses,

## WHAT IS PLANT BINGO?

Plant Bingo is a fun, high-energy event where guests play bingo using houseplants, succulents/cacti and flowers instead of numbers.

Easy to host  
Beginner-friendly  
Perfect for plant lovers  
A great way to increase foot traffic and sales

## WHY HOST A PLANT BINGO EVENT?

- 🌿 Drive Foot Traffic  
Plant Bingo brings new and repeat customers into your space.
- 🌿 Increase Revenue  
Sell tickets, plants, drinks, or merchandise during the event.
- 🌿 Build Community  
Guests connect, laugh, and leave with a memorable experience.
- 🌿 Low Effort, High Engagement  
No complicated setup. No special equipment.

# WHY BUY FROM PARTY'N WITH PLANTS?

Unlike generic bingo templates you'll find online, my Plant Bingo games were created from real-world event experience.

**I personally designed and created each bingo card from the ground up.**

Every card is uniquely generated, meaning your guests won't all be playing identical layouts.

## **Each card features:**

- High-quality plant images
- Clearly labeled plant names
- Large 8.5x11 formatting for easy visibility
- Clean, professional layouts that are colorful but not distracting

**I intentionally designed the cards to be easy to read from across a table or event space — because at live events, clarity matters.**

These aren't clip-art templates thrown together. They are thoughtfully created, event-tested bingo cards that look polished and professional in your space.

*For businesses that do not have access to **wholesale plant suppliers**, I also offer curated live plant packages that can be shipped directly to you, making it easy to provide high-quality plant prizes without sourcing challenges.*

Because I've personally hosted small to large Plant Bingo events locally, I understand what works in a live setting — pacing, visibility, engagement, and crowd energy.

# Frequently Asked Questions

## How many players can I host?

Simply select the package that matches your expected attendance. Each kit includes a set quantity of uniquely generated bingo cards, and additional card sets can be added if needed. Whether you're planning an intimate gathering or a large community event, there is a package designed to fit your group size.

## How long does the event last?

We recommend planning for 1.5 to 2 hours. This allows time for guest arrival, multiple bingo rounds, prize distribution, and social engagement. Most hosts run 5–7 rounds comfortably within this timeframe. The pace is flexible and can be adjusted based on your audience and venue style.

## What prizes should I offer?

Plants are always the most popular prize.  The excitement of winning a real plant is what makes Plant Bingo such a memorable experience. Guests genuinely want to take home greenery.

Other great prize ideas include:

- Gift cards to your greenhouse or shop
- A bottle of wine (for 21+ venues)
- Plant care bundles
- Merchandise or workshop vouchers

**If you do not have access to plants, we can help.**

**Our Plant Prize Packages are where we ship live plants directly to you for your event.**

# Frequently Asked Questions

## Can I customize the cards?

Yes!

We offer a customization add-on that allows you to add your business name to the footer of the bingo cards. This creates a branded, professional look and reinforces your business throughout the event.

Only a business name can be added, no logo images

## Do I need plant knowledge to host?

No prior plant knowledge is required.

While having some plant familiarity can enhance the experience, it is not necessary to run a successful event. Your kit includes basic plant facts and printable plant information flyers that you can distribute to guests.

The most important ingredient is your energy. A confident, enthusiastic host creates the fun atmosphere that makes Plant Bingo memorable.

## What is the revenue potential of hosting a Plant Bingo event?

Most hosts generate revenue through ticket sales, food and beverage purchases, plant sales, or retail add-ons during the event.

The materials can be reused for multiple events (under your single-business license), each additional event increases your overall return.

It works especially well as an event that drives repeat events and a way to introduce new customers to your products or place of business.
