\$60 per person

# Dinosaur Air Plant Terrarium

## Dinosaur Air Plant Terrarium + Essential Oil Diffuser

### 1-Hour Creative Workshop

We'll design a woodland-inspired air plant terrarium that doubles as a natural essential oil diffuser. Together, we'll build a **tree-like structure using real sticks and branches**. **Gluing soft moss and attaching air plants** for a beautiful, climbing, forest-canopy look.

🌿 A small bottle of lavender essential oil is included.

6 Inch Hurricane type of vase (may be a variety of shapes)

\$60 per person

# Air Plant Book Planter

Summer/Beach Supplies

## Air Plant Book Workshop

Turn an ordinary hardcover book into a beautiful living work of art! In this 1-hour hands-on workshop, participants will create a unique **summer beach-themed air plant book planter** using preserved moss, driftwood, seashells, sea glass, and live air plants.

During class, we'll guide you step-by-step on how to safely transform your book into a planter using Tacky Glue and Mod Podge, while also sharing helpful care tips and fun facts about air plants.

This creative workshop is perfect for plant lovers, book lovers, beach lovers, and anyone looking for a fun and unique DIY experience.

\$55 per person (1 Hour workshop)

# Succulent Book Planter

Step 1: Creating a space for our succulents

## Succulent Book Workshop

Each project is designed to look like a miniature garden growing right out of the pages of a book. We'll guide you step-by-step as you transform your book into a creative planter, then design your own custom arrangement with succulents, moss, stones, driftwood, and pinecones.

This workshop is perfect for **plant lovers, book lovers, and anyone who enjoys a creative DIY experience**. Your finished succulent book planter makes a beautiful conversation piece and is perfect to display on a desk, bookshelf, coffee table, or office workspace.

\$60 per person (1 Hour workshop)

# Marrimo Moss Ball Terrarium

Random variety  
of unique sized  
vases

## Moss Ball Terrarium Workshop

Join us for a relaxing, hands-on **60-minute virtual workshop** where you'll design your own beautiful Marimo Moss Ball terrarium—a tiny, living ecosystem you can enjoy year-round.

We don't just build—we learn too!

- What Marimo moss balls actually are, their symbolism and simple care tips

They're one of the **easiest living plants to care for**, making them perfect for beginners or anyone who “doesn't have a green thumb.”

\$55 per person (1 Hour workshop)

# Moss Wall Art Kit

## Moss Wall Art Kit

A Moss frame that is a great way to bring greenery inside that is preserved and doesn't need watered!

A huge variety of different mosses ranging in a variety of colors will be provided along with natural elements to create something to hang or display indoors.

**6x6 inch Pine Wood Frame (45 min. workshop) - \$48.00 per kit**

**8x8 inch Pine wood frame (1 Hour workshop) - \$55.00 per kit**

 Upgrade: Add a Live Air Plant: \$4.50 per kit

# Zen Garden

Mini Air Plant

## Zen Garden

Step into serenity with our **hands-on Zen Garden Workshop**. In this peaceful, creative session, you'll design your own miniature landscape using a traditional **bamboo zen rake**.

🌿 We'll guide you through:

- Ways to arrange natural elements to create balance and beauty
- How to rake patterns into the sand and what each pattern means
- Learn the history and origins of Zen gardens & how to care for your Live mini Air plant

\$50 per person (45 min workshop)

# Mini Succulent Plastic Planters

## Mini Succulent Planter

30-40 minute workshop

🌱 Each kit comes with the basic gardening supplies: Dirt, Spanish Moss, 2 Succulents and Décor items.

🎁 These kits come in 3 different themes: each individual can pick out their desired theme kit or it can be the same for all.
