

Let's Party with Plants

Holiday themed kits!

Fall Succulent Terrarium Workshops

Bring a touch of seasonal charm to any room, creating a cozy and inviting atmosphere that welcomes friends and family with your Fall Succulent garden.

60 minute workshop

2 Succulents per kit

Fall Air Plant Terrarium Workshops

An air plant terrarium is more than just a decorative piece—it's a living sculpture that brings a breath of fresh air into any space.

Air plants, also known as Tillandsia, thrive on air and occasional misting, making them ideal for those seeking low-maintenance greenery.

60 minute workshop

Winter Air Plant or Succulent Terrariums

Step into a winter wonderland with our enchanting plant terrarium, meticulously designed to capture the serene beauty of the season. **Each kit is only 1 vase**, picture shows multiple ways to create your holiday themed terrarium.

Air Plant **or**
Succulent Terrariums

Halloween Terrarium Workshops

Create a spooky Halloween themed kit with a variety of fun miniatures included. (Tombstone, Skulls, Bones, Pumpkin & other surprises)

60 minute workshop

2 Succulents per kit

Mini Holiday Jade Planter

Create a garden with Jade plants in a sleek white planter, then transforming it into a miniature winter wonderland. With a cheerful snowman and a festive fence wrapped in garland to bright holly berries and a tiny Christmas tree.

4 Inch Plastic Planter

30-40 minute workshop

*Minimum order of 10
