* Route taken if the state of Clear is not attained on NED

This chart is based on LRH 301 Int, 17 December 1978, and the 1974, 1978, and 1983 Grade Charts. There are many rundowns and tools used by the C/S in the course of auditing to ensure all PCs achieve the full benefits and abilities of Scientology, however these actions are at the discretion of the C/S and may even be requested by the PC/Pre OT as he/she moves along the chart.
