About Us

Since 2008, our team at **AEMS** has gained extensive experience in the industry, successfully executing various contracting projects and providing maintenance services throughout Saudi Arabia.

We are located in Jeddah city, and our team is primed to serve the entire Kingdom of Saudi Arabia. We provide our services to residential and commercial properties and institutions. We are determined to explore wider opportunities and are eager to grow and thrive through our journey.

Vision and Mission

- Our vision is to gain customers' trust and become a leader in the marketplace through innovative, professional, and reliable services.
 - Our mission is to provide premium quality service at competitive pricing and ensure business profitability.
