

L.R.P.C. Gallery Competitions

The following competitions are arranged and held at the club indoor range.

A. The Victoria Sports Rifle

This competition is held twice a year, Spring & Summer and Autumn & Winter.

It consists of 9 rounds, one target per round for .22rf rifle and air rifles with the calibre of .177 to .22.

The Phoenix League Competition

This competition is also held twice a year, Spring & Summer and Autumn & Winter. There are 16 different disciplines from Precision to Timed Targets for all L.R.P.C. indoor range approved firearms.

There are 9 rounds in total and the number of targets for each round is much dependent on the discipline entered.

The Midland Benchrest League

The Benchrest Competition is again held twice a year Summer and Winter. This competition is opened for teams of three shooters, 2 targets each round over a total of 10 rounds.

Any members interested in entering or requiring further information on any of the above competitions, please contact any of the club's committee members who will only be too pleased to assist and advise.
