**Information from Immigration, Refugees
and Citizenship Canada (IRCC)...**

Government of Canada reduces immigration

The Honourable Marc Miller, Minister of Immigration, Refugees and Citizenship, announced the 2025–2027 Immigration Levels Plan: a plan that will pause population growth in the short term to achieve well-managed, sustainable growth in the long term. For the first time ever, the levels plan includes controlled targets for temporary residents, specifically international students and foreign workers, as well as for permanent residents.
