### Meet *Natalia Zastavsk*

Education Assistant - Christ The Teacher Catholic Schools (CTCS)

Natalia Zastavsk originally migrated from Ukraine in March 2023 under the Canada-Ukraine Authorization for Emergency Travel (CUAET) program.

After spending a short time in Saskatoon, she settled in Yorkton, Saskatchewan, a community she has now called home for nearly three years.

Natalia attended Sacred Heart High School in Yorkton and is a recent graduate. She currently works as an Education Assistant with the Christ the Teacher Catholic Schools division in Yorkton, where she helps to make learning accessible for students, especially those who need extra help, while assisting teachers and contributing to the overall classroom environment.

"I hold a temporary resident status with a work permit and I plan to continue my education at the university level to further strengthen my skills in the education and community-support fields".

Inspired by Saskatchewan's Land of Living Skies, Natalia loves everything about Saskatchewan. Yorkton has become the place that feels most like home for her. "It's got that small-town vibe, but still has everything I need close by. Life here is calm, convenient, and easy to settle into". She's also come to really appreciate how friendly and welcoming people in Yorkton are.

"I am committed to contributing to the success of future generations and ensuring that they have opportunities to reach their full potential."
